

AP Human Geography: Chapter 1- Section 3&4 Notes

4 pages | 998 words

Globalization

is a force or process that involves the entire world and results in making something worldwide in scope

How was the recession that began in 2008 an example of globalization?

The entire world was in debt for more than a half a century (together)

In what ways is globalization of culture manifested in the landscape? Provide an example

Globalization of culture is manifested in the landscape can be by culture beliefs. An example is making fast food chains that all have the same appearance so that wherever you go you know where you can eat.

In what ways has the communications revolution played a role in globalization?

The communications revolution played a role in globalization because during the communications revolution, there were newspapers being invented so that everyone could know the 'worldwide' news.

Why might some group(s) of people oppose globalism or globalization?

Some groups might oppose globalism or globalization because there is such an advance in technology and they might not be able to keep up with different trends. They might also oppose it because then some of their culture might "fade away" based on what people are doing and the whole idea of globalization.

Space

is the physical gap or interval between two objects

Distribution

The arrangement of a feature in a space

Density

is the frequency with which something occurs in space

The way in which a feature is spread over space is known as concentration. What are the opposite ends of the spectrum of concentration?

If an object in an area are close together they are considered clustered If an object is relatively far apart they are considered dispersed

List the two different types of pattern given in the text

geometric pattern and an irregular pattern

In what ways does each of the following play a role in geography?

Ethnicity Space may be designed to appear to a cultural group or to repel that group. Ex: Bar that appeals to whites may repel a person of color Gender Some activities that people participate depend on gender (type of activity determines the location of the activity) Ex: Dance studio/Little League Sexual Orientation Homosexuals may be drawn to a place to reinforce spatial interaction with other gays Ex: Communities of Gay couples

In the past, most interaction between places required what?

required physical movement of settlers, explorers and plunderers from one location to another

Describe the phenomenon known as distance decay

is the...
