Skill or Standard for focus / Objective: The standard, skill, or learning objective for the lesson goes in this box!

CORNELL NOTES CUE COLUMN

This section should include key words or phrases as well as vocabulary terms and potential exam questions.

This column is for the:

WHAT'S
WHO'S
WHEN'S and
WHERE'S

NOTE TAKING COLUMN

This section of your page is dedicated to lesson time and in-class note taking. You might want to include:

- main points
- diagrams, graphs, sketches, drawings, or charts
- Bullet points
- Concise sentences
- Shortened abbreviations / symbols / paraphrasing

Also try to leave lines between points so you can go back in and add any brief notes you may have missed. This extra space will also give you a sense of clarity.

You don't have to use a ruled line version - try one with a blank note taking section to experiment with mindmapping or doodles - whatever tickles your fancy. Make it personal!

You might say this column is for the WHY's and How's with some of these guys thrown in!

SUMMARY SECTION

This section should be written last! It should also only really contain a basic condensed summary of your notes in the cue column and important details of your main notes. It is used to quickly find and digest info later.
