

Course: Critical Thinking, Philosophy 1010

Study Guide: Midterm (Covers Chapters 1-3)

• Week 1:

• Critical Thinking

- **Critical Thinking** is the skill of being able to correctly evaluate arguments that are made by others and compose a good argument of your own
- You must use good reasoning when you're trying to use critical thinking skills and be able to determine what reasonings are better than others

• Arguments

- **Arguments** are attempts to provide reasons for thinking that a certain belief or view is true.
- all arguments have two parts:
 - The reasons
 - The belief that those reasoning's are intended to be supporting
- **Premises** are the reasons of an argument
- **Conclusions** are the beliefs being supported in an argument

Example: "Over the next three months, the temperature will rise. Georgia will have an increase in temperature and drought."

Conclusion:

Premise:

• Statements

- **Statements** are sentences that make a claim which can either be true or false
- Every argument has two statements and **both the premises and**

Example: Are these all statements?

1. Read the next chapter for homework. (Instruction)
2. Did you do the homework? (Question)
3. A dog is an animal. (Statement)
4. Georgia State University is a college. (Statement)

• Statements vs Sentences

- Not all sentences are statements. There is only one kind of sentence that is considered a statement, that is "declarative" (true or false)
- **A single sentence can contain two or more statements. In some situations two or more sentences may only contain one statement**

• Identifying Arguments

Beyond the Answer Sheet William B. Badke, 2003 You've come a great distance to study in a new land, but now that you're here, you've discovered that education is very different in the West. You fear that you do not have the skills to succeed in this new environment. Fear no longer. Here is your guide to all things academic in the West, from educational philosophy to life in the classroom to relationships with professors. As you read, you will learn how to organize your time, complete a variety of assignments, navigate the library, produce high-quality research essays, and write examinations with confidence. I admire international students. You have courage. You have motivation. You have endurance. There is every reason for you to do well if you have the proper understanding of Western education. This handbook is intended to help you gain that understanding, accomplish all your educational goals, and graduate triumphantly.
