Essentials Of Physician Practice Management

Sally J. Reel, Ivo Luc Abraham

Essentials Of Physician Practice Management:

Essentials of Physician Practice Management Blair A. Keagy, Marci S. Thomas, 2012-06-14 Essentials of Physician Practice Management offers a practical reference for administrators and medical directors and provides a comprehensive text for those preparing for a career in medical administration practice management and health plan administration Essentials of Physician Practice Management is filled with valuable insights into every aspect of medical practice management including operations financial management strategic planning regulation and risk management human resources and community relations

Fundamentals of Medical Practice Management Stephen Wagner, 2018-09 Consolidations and mergers have dramatically changed the face of the physician practice From governance issues to information technology today's practice managers face a host of new complexities and competing priorities that demand more robust skills and knowledge Fundamentals of Medical Practice Management is one of the few if not only texts that addresses the educational needs of the modern practice manager Author Stephen L Wagner who studied under quality guru W Edwards Deming combines a focus on quality and excellence with an important thesis working together and putting people first is the best way to be successful in healthcare This book appeals to a wide range of learners including in organizational programs MHA and undergraduate health administration programs and practice management certificate programs It is also an effective supplement for healthcare management classes Not only will the book's insights prepare those new to the field but it will help current practice managers to retool and refocus Fundamentals of Medical Practice Management covers these areas and more Information Technology and Management Regulatory Issues the Law and Practice Management Third Party Payers the Revenue Cycle and the Medical Practice Leading Managing Governance and Organizational Dynamics Quality Management in the Physician Practice Although this text delves into many practical topics its main focus is people The author argues that win lose games and quick fix solutions have begun to deliver diminished returns in healthcare not only economically but emotionally and societally He aims to shape the reader's mindset for a new era of people focused practice management

Fundamentals of Physician Practice Management Frederick J. Wenzel, Jane M. Wenzel, 2005 This text is designed to meet the needs of programs that offer a group practice or ambulatory care course as well as those that incorporate physician practice management issues into the regular curriculum Unlike other books on physician practice management this straightforward text provides enough detail for students to understand the fundamental concepts without getting mired in the complexity of daily operational issues This book Explains how physician practice management differs from management in other settings Discusses strategic planning financial management information systems and hospital relationships as applied in group practice settings Provides sufficient background without overwhelming students with detail Uses a straightforward approach that is appropriate for both graduate and undergraduate courses Includes a mini case learning objectives and discussion questions in each chapter
