You've worked your entire career to save your dad's business. He did the same for his dad. Over the past few years, competition has increased and the business is failing.

Your dad has been unwell for a long time. On 31 December, doctors tell you he has only hours to live. You know he has a significant life insurance policy that expires at midnight before midnight, you and your family will either have what you would need. If he dies after midnight, there's nothing.

It's on a cruise when there is an emergency evacuation of the ship. There are not enough lifeboats and they are all overloaded. It can see the water lapping just below the lifeboat's edge - if they are much lower, the boat will start to sink.

The water is rough and waves lap into the boat, but it can see a group of elderly people struggling to stay afloat. They call to him to throw a rope, all the while they are in the water. It thinks the boat might make it and they are the report.

Claire is the class clown. She has a great sense of humour and you love hanging around her. However, lately her jokes have focused on making fun of other students and teachers. She looks for something different about the way someone looks or acts and uses these things to make unkind jokes. They're starting to make you feel uncomfortable.

Do you say something? What do you do?
