Evaluation Management in South Africa and Africa Fanie Cloete, 2014-12-01 This blind peer reviewed book systematically records analyses and assesses for the first time in a single volume the implications of the global development and management of professional evaluation for the African continent. The book deals with the most strategic contemporary evaluation themes. Each of these themes contains discussions of theoretical issues illustrated with one or more short case studies while selected longer case studies and other relevant documentation are also taken up in annexures at the end of the book. The book therefore comprises a guide to best M E practices for purposes of systematic policy programme and project evaluations. It is suitable for both professional M E institutionalisation and capacity building projects as well as for evaluation information dissemination and education at different levels in the public private and voluntary sectors in society especially in a developmental context.

Digital Transformation of Learning Organizations Dirk Ifenthaler, Sandra Hofhues, Marc Egloffstein, Christian Helbig, 2021-01-05 This open access volume provides insight into how organizations change through the adoption of digital technologies. Opportunities and challenges for individuals as well as the organization are addressed. It features four major themes: 1. Current research exploring the theoretical underpinnings of digital transformation of organizations; 2. Insights into available digital technologies as well as organizational requirements for technology adoption; 3. Issues and challenges for designing and implementing digital transformation in learning organizations; 4. Case studies, empirical research findings and examples from organizations which successfully adopted digital workplace learning.
