A photograph of a person lying face down on a dark, gravelly path at night. The person is wearing a light-colored t-shirt and dark shorts. In the background, there are dark silhouettes of trees and a bright, full moon in a dark blue sky. The overall mood is somber and contemplative.

Exit Strategy Starbound Volume 1:

Star Bound Emily Carney, Bruce McCandless, 2025 *Star Bound* is a book for anyone who wants to learn about the American space program but isn't sure where to start. First and foremost it's a history short, sweet and straightforward. From rocketry pioneer Robert Goddard's primitive flight tests in 1926 through the creation of NASA from our first steps on the moon to construction of the International Space Station and planning a trip to Mars, readers will meet the people and projects that have put the United States at the forefront of space exploration. Along the way they'll learn how the United States beat the Soviets to the moon, why astronauts float in space, hint it's not for lack of gravity, how fast rockets have to go to stay in orbit around Earth, how we can look back in time through a space telescope, with technology evolving and humanity's understanding of the universe expanding, we are entering an exciting period of space exploration. Authored by two veteran space writers with unique insights into the topic, *Star Bound* offers up the story of Americans in space with a focus on the cultural and societal contexts of the country's most important missions rather than engineering and technical minutiae. Vibrant, positive and humorous, *Star Bound* is packed with facts and stories for novice space fans. And sprinkled in with the history are lists of the greatest space songs, books, movies and more, all designed to make space exploration accessible to even the casual reader. *Cumulative Book Index*, 1995 A world list of books in the English language **Forthcoming Books** Rose Arny, 2002 **Pitman's Journal of Commercial Education**, 1892 [Talking Book Topics](#), 2013 **Billboard**, 1998-08-15 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. **Who's who in Entertainment**, 1992 **Exit Strategies** Meg Todd, 2022 *Exit Strategy* Jameel Saleem, 2012 **Exit Strategy** Lauren Allbright, 2017-06-06 In the title, the letter i in the word exit is represented by an illustration of a piece of toilet paper. *Exit Strategy* Anne Kilfoyle, 2017 *Exit Strategy* George Murray, Kilmog Press, 2010
