• **Handwriting Without Tears assessment:** The Screener of Handwriting Proficiency is a free screening tool includes evaluation of children's posture and grip along with capital and lowercase letters. We recommend administering the assessment at the beginning of the season to identify individual student needs and assist you with customizing and driving instruction. You will need 15-20 minutes to prepare for the assessment, 10 minutes to administer with the whole class, then 20 to score. Give the screener again at the end of the season to show progress and share with families. Full directions can be found on LWTears.com/screener.
