Popular Science, 1999-11 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Under Tower Peak** Bart Paul, 2013-04-04 This tautly written debut thriller was named one of the 10 Best Mysteries of 2013 by the Wall Street Journal After two tours as a sniper in Iraq Tommy Smith has returned to his former life as a cowboy and wilderness guide in California's Sierra Nevada hoping to reclaim the simplicity of his youth and heal the wounds the world can't see When high on a mountain pass he and his partner find the wrecked plane of a billionaire adventurer who disappeared months earlier a seemingly innocent act triggers a breathtaking cycle of violence that threatens Tommy's world Soon he is enmeshed in the struggle between the billionaire's trophy wife and wannabe drug lord son and their allies Every effort to set things right draws him deeper into a bad situation and closer to needing those deadly skills that he had hoped to leave behind forever With lean efficient prose and dialogue that crackles with repartee Bart Paul has written a contemporary thriller of steadily mounting suspense and ruthless action He captures both the beauty of the high mountain wilderness and the laconic rhythms of the outfitters' lives In Tommy Smith he offers a protagonist whose cool competence home grown decency and clarity of purpose in the face of danger suggest a brotherhood with heroes from the likes of Ernest Hemingway and Cormac McCarthy [The War of the Rebellion](#), 1891

that Twenty three years ago when Rob Kantner introduced his Detroit PI in the short story C Is for Cookie he probably had no idea he was heralding in a new era of mystery fiction Before Rob the private eye genre was glutted with down in their luck losers who wore trench coats and talked like Bogart Stereotypes ruled the paperback racks and a revamp was sorely needed Rob s genius was to give his hero something more than cliched one liners and a drinking problem Namely a life J A Konrath from his introduction This collection includes 18 stories featuring Ben Perkins from the earliest part of his career to the latest chapter The final story Sex and Violins has never before been published The Manufactured Family Scott Oliver Hail,2014-10-21 Rose Walker s fourteen year marriage is not on her mind the day she decides to work from home But her marriage is so much a part of her that she is shocked when a process server brings her a divorce petition and a letter from her husband Hal announcing he is leaving her He tells her that he has met someone who shares his goals and makes him feel young and alive again As her last rational act before going to the business they built together she asks her day worker to stay late so her nearly eleven year old son Brad will have someone waiting when he comes home from school Rose is pulled over for speeding while driving to work The officer recognizes she is distressed and after giving her a ticket escorts her to the office where she and her husband are brokers Rose is left alone to come to terms with the shock of Hal s unexpected departure and must also find a way to break the news to their son who dotes on his father A little over three years later Rose and Brad have rebuilt their lives and on the surface live a normal life Rose has started her own company and is successful Brad is in eighth grade but is insecure and carries a burden of guilt over his parents breakup Then Rose meets a new man in her life Driftless David Rhodes,2010-01-01 A fast moving story about small town life with characters that seem to have walked off the pages of Edgar Lee Masters s Spoon River Anthology The Wall Street Journal The few hundred souls who inhabit Words Wisconsin are an extraordinary cast of characters The middle aged couple who zealously guards their farm from a scheming milk cooperative The lifelong invalid crippled by conflicting emotions about her sister A cantankerous retiree haunted by childhood memories after discovering a cougar in his haymow The former drifter who forever alters the ties that bind a community In his first novel in 30 years David Rhodes offers a vivid and unforgettable look at life in small town America Rhodes s finest work yet Driftless is the best work of fiction to come out of the Midwest in many years Chicago Tribune Set in a rural Wisconsin town the book presents a series of portraits that resemble Edgar Lee Masters s Spoon River Anthology in their vividness and in the cumulative picture they create of village life The New Yorker Encompassing and incisive comedic and profound Driftless is a radiant novel of community and courage Booklist starred review A welcome antidote to overheated urban fiction A quiet novel of depth and simplicity Kirkus Reviews It takes a while for all these stories to kick in but once they do Rhodes shows he still knows how to keep readers riveted Add a blizzard a marauding cougar and some rabble rousing militiamen and the result is a novel that is as affecting as it is pleasantly overstuffed Publishers Weekly
