The Oxford Handbook of Personnel Psychology Susan Cartwright, Cary L. Cooper, 2008 The field of

Personnel Psychology is broadly concerned with the study of individual differences and their consequences for the organization. As human resource costs continue for most organizations to be the single largest operating cost, 50-80% of annual expenditure, achieving optimal performance from individual employees is of paramount importance to the sustained development and financial performance of any organization. The Oxford Handbook of Personnel Psychology brings together contributions from leading international scholars within the field to present state-of-the-art reviews on topical and emergent issues, constructs, and research in personnel psychology. The book is divided into six sections: DT Individual Difference and Work Performance, DT Personnel Selection, DT Methodological Issues, DT Training and Development, DT Policies and Practices, DT Future Challenges. While the Handbook is primarily a review of current academic thinking and research in the area, the contributors keep a strong focus on the lessons for HR practitioners and what lessons they can take from the cutting-edge work presented.

Fitness Food Cookbook and Inspirational Nutrition Guide Tanya Lee, Tanya Lee Sheehan, 2005-12. Hundreds of one-dish, one-serving meals that are under 15 minutes to prepare. Fitness model and yoga practitioner Tanya Lee Sheehan presents her newest publication, FITNESS FOOD, where science meets nature. In this book, Tanya has developed a system of defining meals not only by calories, protein, carbohydrates, fat, and fiber, BUT ALSO by the approximate elemental energies of earth, water, fire, and air. This book contains the best eating habits from ancient metaphysicians to fitness professionals and combines it with a love of life and awareness of the environment. A massive collection of simple, convenient, healthy meals. There isn't a fitness athlete out there who wouldn't get their money's worth. Oxygen Magazine book review.

Handbook of Research on Educational Communications and Technology J. Michael Spector, M. David Merrill, Jan Elen, M. J. Bishop, 2013-07-03. The 4th edition of the Handbook of Research on Educational Communications and Technology expands upon the previous 3 versions, providing a comprehensive update on research pertaining to new and emerging educational technologies. Chapters that are no longer pertinent have been eliminated in this edition, with most chapters being completely rewritten, expanded, and updated. Additionally, new chapters pertaining to research methodologies in educational technology have been added due to expressed reader interest. Each chapter now contains an extensive literature review, documenting and explaining the most recent outstanding research, including major findings and methodologies employed. The Handbook authors continue to be international leaders in their respective fields; the list is cross-disciplinary by design, and great effort was taken to invite authors outside of the traditional instructional design and technology community.

Handbook of Social Work in Health and Aging Barbara Berkman, 2006-02-09. The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care, aging, and social work in a single authoritative volume. These areas are too often treated as discrete entities, while the reality is that all social workers deal with issues in health and aging on a daily basis, regardless of practice specialization. As the baby boomers age, the impact on practice in health and aging will be dramatic, and social workers need more specialized knowledge about aging, health care, and the resources available to best

serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today
