Edwin B. Coddington

Gettysburg A Study In Command:

The Gettysburg Campaign Edwin B. Coddington, 1997-03 The Battle of Gettysburg remains one of the most controversial military actions in America's history and one of the most studied Professor Coddington's is an analysis not only of the battle proper but of the actions of both Union and Confederate armies for the six months prior to the battle and the factors affecting General Meade's decision not to pursue the retreating Confederate forces This book contends that Gettysburg was a crucial Union victory primarily because of the effective leadership of Union forces not as has often been said only because the North was the beneficiary of Lee's mistakes Scrupulously documented and rich in fascinating detail *The Gettysburg Campaign* stands as one of the landmark works in the history of the Civil War *The Gettysburg campaign* Edwin Broughton Coddington, 1968 **The Gettysburg Campaign** Edwin B. Coddington, 1984 **The Gettysburg Campaign** Edwin B. Coddington, 1989 Gettysburg: a Study in Command U. S. Army U.S. Army War College, 2014-12-02 Secretary of War Elihu Root during his speech at the dedication of the first Army War College charged the institution with its enduring mission War College graduates he said should be educated in the skills that would enable them to preserve peace by intelligent and adequate preparation and if called upon be fully capable of applying their education to repel aggression Attainment of these ends would be achieved through studying and conferring on the great problems of national defense military science and responsible command Thoughtful study on war the ultimate application of military force to achieve political ends is normally undertaken in an academic setting such as in the seminar room One may also consider war in all its complexity on the great battlefields of history where in a few hours or days and in the confines of several square miles issues of policy and strategy operations and tactics were contested by armies ably or poorly led Thoughtful and informed discussions about the battle of Gettysburg a discrete tactical event embedded within a campaign can lead to insights on the complexities associated with the employment of military power to achieve strategic ends General Robert E Lee in this instance sought to secure independence for the Confederacy by winning a military victory in Pennsylvania which would in turn lead to a favorable political settlement of the war His opponent General George G Meade sought to prevent this and in so doing to preserve the Union As tactical and operational decisions were made throughout the battle and campaign the political ends for which the Civil War was being fought shaped and determined decisions at all levels of war We can benefit from studying the Gettysburg Campaign by carefully and thoughtfully examining decisions made by the respective political leaders directing the war and those of field commanders directing actions on the battlefield Armed with even a limited knowledge of the personalities involved and the conditions extant on the field we can arrive at informed judgments on the thinking that was done and the decisions that were made affecting the outcome of the battle Critical thinking in other words is the order of the day Carl von Clausewitz the 19th century Prussian military theorist reminds us that when engaged in critical thinking one must not only find fault with what was done but one must also propose alternatives not taken and these too must be rigorously examined What better course of

action could have been taken If the best course of action was the one executed why did it succeed or fail *Meade at Gettysburg* Kent Masterson Brown,2021-06-07 Although he took command of the Army of the Potomac only three days before the first shots were fired at Gettysburg Union general George G Meade guided his forces to victory in the Civil War s most pivotal battle Commentators often dismiss Meade when discussing the great leaders of the Civil War But in this long anticipated book Kent Masterson Brown draws on an expansive archive to reappraise Meade s leadership during the Battle of Gettysburg Using Meade s published and unpublished papers alongside diaries letters and memoirs of fellow officers and enlisted men Brown highlights how Meade s rapid advance of the army to Gettysburg on July 1 his tactical control and coordination of the army in the desperate fighting on July 2 and his determination to hold his positions on July 3 insured victory Brown argues that supply deficiencies brought about by the army s unexpected need to advance to Gettysburg were crippling In spite of that Meade pursued Lee s retreating army rapidly and his decision not to blindly attack Lee s formidable defenses near Williamsport on July 13 was entirely correct in spite of subsequent harsh criticism Combining compelling narrative with incisive analysis this finely rendered work of military history deepens our understanding of the Army of the Potomac as well as the machinations of the Gettysburg Campaign restoring Meade to his rightful place in the Gettysburg narrative **Meade at Gettysburg** Kent Masterson Brown Esq.,2021-05-03 Although he took command of the Army of the Potomac only three days before the first shots were fired at Gettysburg Union general George G Meade guided his forces to victory in the Civil War s most pivotal battle Commentators often dismiss Meade when discussing the great leaders of the Civil War But in this long anticipated book Kent Masterson Brown draws on an expansive archive to reappraise Meade s leadership during the Battle of Gettysburg Using Meade s published and unpublished papers alongside diaries letters and memoirs of fellow officers and enlisted men Brown highlights how Meade s rapid advance of the army to Gettysburg on July 1 his tactical control and coordination of the army in the desperate fighting on July 2 and his determination to hold his positions on July 3 insured victory Brown argues that supply deficiencies brought about by the army s unexpected need to advance to Gettysburg were crippling In spite of that Meade pursued Lee s retreating army rapidly and his decision not to blindly attack Lee s formidable defenses near Williamsport on July 13 was entirely correct in spite of subsequent harsh criticism Combining compelling narrative with incisive analysis this finely rendered work of military history deepens our understanding of the Army of the Potomac as well as the machinations of the Gettysburg Campaign restoring Meade to his rightful place in the Gettysburg narrative *The Gettysburg Campaign* R. Krick,1985-06-01 **Gettysburg campaign** ,1911 **Gettysburg: a Study of Lee's Command Effectiveness 1863** Usmc Command USMC Command and Staff College,2015-04-02 This paper is an historical analysis of the effectiveness of General Lee s command during the Battle of Gettysburg The argument is made and defended that General Lee s effectiveness of command during the Battle of Gettysburg was reduced because of the absence of two of his trusted subordinates and his interaction with other senior leaders in

the Army of Northern Virginia This paper examines the period from the Battle of Chancellorsville to the Battle of Gettysburg 1862 The life of General Lee is discussed briefly up to the Battle of Gettysburg along with the topics Lee's Trusted Subordinates Chancellorsville Lee's reorganization of the Army of Northern Virginia Gettysburg Lee's Effectiveness at Gettysburg and finally the Conclusion The Conclusion provides a summary as well as discussing lessons to be learned

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Gettysburg A Study In Command** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
