*Democratic Evaluation and Democracy* Donna Podems, 2017-02-01 Democratic evaluation brings a way of thinking about evaluation's role in society and in particular its role in strengthening social justice. Yet the reality of applying it and what happens when it is applied particularly outside the West is unclear. Set in South Africa, a newly formed democracy in Southern Africa, the book affords an in-depth journey that immerses a reader into the realities of evaluation and its relation to democracy. The book starts with the broader introductory chapters that set the scene for more detailed ones which bring thorough insights into national government, local government, and civil societies' experience of evaluation, democratic evaluation, and their understanding of how it contributes to strengthening democracy or not. A teaching case, the book concludes by providing guiding questions that encourage reflection, discussion, and learning that ultimately aims to inform practice and theory.

The SAGE Guide to Educational Leadership and Management Fenwick W. English, 2015-01-29 The SAGE Guide to Educational Leadership and Management allows readers to gain knowledge of educational management in practice while providing insights into challenges facing educational leaders and the strategies, skills, and techniques needed to enhance administrative performance. This guide emphasizes the important skills that effective leaders must develop and refine, including communication, developing teams, coaching, and motivating, and managing time and priorities. While being brief, simply written, and a highly practical overview for individuals who are new to this field, this reference guide will combine practice and research, indicate current issues and directions, and choices that need to be made.

**Features/Benefits:** 30 brief, signed chapters are organized in 10 thematic parts in one volume, available in a choice of electronic or print formats, designed to enable quick access to basic information. Selective boxes enrich and support the narrative. Chapters with case examples of effective leadership in action. Chapters conclude with bibliographic endnotes and references to further readings to guide students to more in-depth presentations in other published sources. Back matter includes an annotated listing of organizations, associations, and journals focused on educational leadership and administration, and a detailed index. This reference guide will serve as a vital source of knowledge to any students pursuing an education degree, as well as for individuals interested in the subject matter that do not have a strong foundation of the topic.

*Case Studies in Geriatric Primary Care & Multimorbidity Management* Karen Dick, Terry Mahan Buttar, 2019-01-29 Awarded first place in the 2019 AJN Book of the Year Awards in the Gerontologic Nursing category; second place in the Advanced Practice Nursing category. Gain expert primary care of older adults with a case-based approach to geriatric primary care and multimorbidity management. Written by two leading academic and clinical experts in geriatric primary care, *Case Studies in Geriatric Primary Care and Multimorbidity Management*, 1st Edition, uses detailed Exemplar Case Studies and Practice case studies to teach you how to think like an expert geriatric clinician. Because most older adults have more than one condition when seeking care, both Exemplar and Practice Case Studies place a strong emphasis on multimorbidity management. The

management of patients with a host of complex interacting conditions To provide extensive practice in learning how to think like an expert case studies reflect the reality that care does not necessarily begin or end in the primary care setting cases move fluidly from primary care to acute care to inpatient rehabilitation to assisted living to long term care Building on foundational introductory chapters cases also call on you to develop interprofessional collaboration skills and reflect the diversity of today s older adults in terms of age young old to old old gender culture ethnicity sexuality socioeconomic status and more As you work through both basic level and advanced Practice Case Studies you can make extensive notes in the printed book and then go online to submit answers for grading and receive expert feedback for self reflection NEW Introductory unit on the core principles of caring for older adults gives you a strong foundation in the principles of geriatric primary care and multimorbidity management NEW and UNIQUE Exceptionally detailed unfolding Exemplar Case Studies demonstrate how an expert advanced practitioner thinks clinically to provide care to older adults with multiple conditions NEW and UNIQUE Exceptionally detailed unfolding Practice Case Studies emphasize patient diversity and multimorbidity management across healthcare settings to help you develop advanced clinical reasoning skills for geriatric primary care NEW and UNIQUE Strong emphasis on multimorbidity management focuses on caring for older adults with multiple chronic conditions NEW Emphasis on the continuum of care across settings reflects the reality that care does not necessarily begin or end in the primary care setting but can move from primary care to acute care to inpatient rehabilitation to assisted living to long term care and so forth NEW Online answer submission for grading and expert feedback for self reflection NEW Emphasis on patient diversity reflects the makeup of today s older adult population in terms of age young old to old old gender culture ethnicity sexuality socioeconomic status and more NEW Emphasis on interprofessional collaboration use Exemplar Case Studies and Practice Case Studies to allow you to demonstrate your interprofessional collaboration skills
