Acoustic and Electric Guitar and Bass Guitar Set-up Specifications

All of the following specifications are for guitars/basses with the standard gauges of Gretsch strings that the guitar or bass is equipped with from the factory. Compensations may need to be made, if you plan to change string gauges. Modifications of the specifications can be made (within limited parameters) to adjust for player application (how hard the player picks or frets the guitar), or other considerations. **Note: These are minimum specifications, meant to guide you, not to be taken as hard and fast rules. Always refer to your Gretsch Guitar Guide (owner's manual) for additional information and/or instruction.**
