Quicklet on Grey's Anatomy Season 1 EmmaLee McCrickett, 2012-07-30 ABOUT THE BOOK Borrowing the title from a famous medical text Gray's Anatomy ABC's Grey's Anatomy premiered mid season in 2005 following Desperate Housewives on Sunday nights as noted by When the Scrubs Come Off in New York Magazine Tales of Sex and Surgery in New York Times calls it a mix of Sex and the City and ER and praises main character Meredith Grey and her fellow surgical interns for having meaningful work especially compared to the characters of Desperate Housewives or The O.C. two popular shows at the time of the Grey's premiere As discussed in Tales of Sex and Surgery Greys Anatomy taps into the hero doctor figure an image lost in an era of 15 minute appointments and medical treatments decided by insurance companies Unlike Meredith Grey your surgeon doesn't care that you both wore the same shoes that day What is unrealistic about the show makes it successful Meredith Cristina and Izzie are more focused on their career ambitions and less about how to balance their jobs homes and boyfriends with time left for themselves These girls believe they can have it all and go for it MEET THE AUTHOR EmmaLee has been writing since grade school but professionally since 2009 She enjoys young adult novels trampolines and tea parties EXCERPT FROM THE BOOK The past and present are irreparably connected in Grey's Anatomy This is demonstrated from the beginning as the opening lines discuss Meredith's mother who had been a great surgeon Throughout the season Meredith Izzie and Alex all reveal bits of

their past that have pushed them to become better surgeons Meredith's mother told her she did not have what it takes Izzie grew up in a trailer park and had to wait tables to pay for college Alex's father was an addict Meredith's mother represents a deep past She was a great surgeon at Seattle Grace The Chief knew her well Great things are expected from Meredith because she is Ellis Grey's daughter Everyday she walks down the hallways her mother once commanded and has to find a way to live up to that past At the same time her mother is losing her present to Alzheimers and becoming deeply entrenched in her past which carries extreme pain for Meredith
