Greys Anatomy Episode Guide 5:

Grace under Pressure Cynthia Burkhead, Hillary Robson, 2021-01-20 Grace under Pressure Grey s Anatomy Uncovered is a collection of essays that offers a scholarly critical analysis of the hit ABC network series Within these pages the authors examine various topics in depth including the making of the series its marketing and promotion the creative team behind the show the role of music within the series gender and gender roles family and relationships and morality Diagnosis Female Emily Dwass, 2019-10-15 Why do so many women have trouble getting effective and compassionate medical treatment Diagnosis Female examines this widespread problem with a focus on misdiagnosis and gender bias The book zeroes in on specialties where women are more likely to encounter particularly troubling roadblocks cardiology neurology chronic diseases and obstetrics gynecology All too often when doctors can't figure out what is going on women receive a diagnosis from the all in her head column this pattern is even worse for women of color who may face significant challenges in medical settings Throughout the work Emily Dwass profiles women whose stories illustrate how medical practitioners often dismiss their claims or disregard their symptoms Because women were excluded from important medical research for centuries doctors don't always recognize that male symptoms and female symptoms can vary from issue to issue Even today most diagnostic tests and treatment plans are based on studies done on men Throughout the book women state that their voices do not matter or worse their concerns are greeted with skepticism or simply ignored when they seek help The results can be devastating and long lasting Examining the bias inherent in the system Dwass offers measures women can take to protect their health and receive better care She offers advice too for the medical community in addressing the problem so that outcomes can improve all around If you're a woman and you seek medical care this book is a must read Your health depends upon it *Focus On: 100 Most Popular Fictional African-American People* Wikipedia contributors, **TV Guide** Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium *Queers in American Popular Culture* Jim Elledge, 2010-10-06 This three volume collection of essays reveals the widespread existence of queer men and women in American popular culture and showcases their important yet little known role in shaping our society over the last 120 years The virtually unknown existence of gay bisexual and queer men and women in American popular culture from the late 1800s through the present day is a fascinating topic for many readers regardless of their own orientation Whether it's the father of bodybuilding famous closeted entertainers or sports stars or the leading characters in current television shows and films queer men and women have changed the face of American popular culture and society for over a century Ironically most of the fascinating information anecdotes and revealing facts about well known figures in American culture are virtually unknown to the typical U S citizen Elledge's *Queers in American Popular*

Culture covers a wide variety of historical and current topics that documents how the queer community has been and continues to be one of the most significant shapers of American popular culture. Currently no other book covers queer topics in American popular culture as broadly as this text. [The Binge Watcher's Guide to Supernatural](#) Jessica Mason, 2021-10-12

Dad's on a hunting trip and he hasn't been home in a few days. These simple words hook viewers into the story of Sam and Dean Winchester and the epic rocking ride that is *Supernatural*, the longest running genre show in American television history. But with 15 seasons, 327 episodes, and more angels, demons, and resurrections than you can shake a first blade at, the series can be a little bit intimidating. That's where we come in. *The Binge Watcher's Guide to Supernatural* is your complete source on all the themes, ideas, trivia, and more in this legendary series. From dissecting the meta madness to swooning over shipping highs and lows, this book will give readers insight like nothing before into the complex and sometimes confusing world of Sam, Dean, Castiel, and their extended family. Think of this as John Winchester's journal guiding you through trivia and tribulations to enrich watching this incredible show. Whether you're a long time super fan or a newbie, Jessica Mason's expert insight into the show will make this road trip the best one yet.
