Marian Olivia Heath Griffin

I Got You Rob Hill Sr:

I Got You Rob Hill, 2013-09 This book isn't about playing a game to get what you want. It's about you looking at yourself and finding ways to learn how to grow as an individual. I cannot tell you every single step you should take to get you to where you are trying to go in life. But what I can do is make sure you have enough confidence to trust your own judgments regardless of past mistakes. I want you to understand that it's okay to be exactly where you are right now whether you are single or in a relationship. Appreciate where your journey is taking you but be able to identify areas that need to change. I want you to read this book and have a better understanding of the present. I want you to know that trying to get it right is a constant process. We never arrive at a place of knowing it all. For as long as we are alive we are challenged to grow, learn, evolve, and mature. Love is a decision, not a destination. It's not something you stumble upon. You must choose to walk in it, give to it, and become it. Each of us travels a different path to find the love we are searching for. Some find what they are looking for instantly while others must jump over a few hurdles before realizing they have finally found something special. In essence, we are all just working towards what we believe we deserve: our fair chance at love and happiness. **The Missing Piece**

Rob Hill, 2018-06-05 For anyone who has suffered pain, disappointment, or a broken heart, entrepreneur and motivational speaker Rob Hill Sr shares the transformational personal story of his struggles and the invaluable lessons those difficult challenges have taught him about looking within to find the power to heal and live a purposeful life. Often the greatest opponent we face in the game of life is ourselves. We spend hours, days, and years searching for answers to the questions of our hearts. But the answer is there. Our full awareness of self, our understanding of purpose, and our appreciation for the power of love are the missing pieces needed to heal the pain so many of us feel. It was the answer to the pain I felt. These inspirational nuggets of wisdom are just a few of the priceless life lessons that have struck a chord with hundreds of thousands of people and earned Rob Hill Sr the title heart healer. Ever since Hill made the courageous decision to dedicate his life to helping others, his own painful coming of age experiences, homelessness, a damaged relationship with his father, hours spent contemplating suicide, have served as the basis for his positive message of healing and transformation. Whether you struggle with fostering healthy relationships, finding love, believing in yourself, overcoming the obstacles life tosses in your way, or any other number of conflicting human experiences, Hill's perceptive, penetrating yet compassionate words will help you find your way. *The Missing Piece* is the captivating story of the man behind the powerful, uplifting message, part memoir and part roadmap to deep personal contentment and success. *Mama Fannie* Marian Olivia Heath

Griffin, 2019-03-13 *Mama Fannie* was found in a sugarcane field in central Louisiana by slave women who came out to work one early fall morning in 1853. She was about two and a half years old with no shoes or coat on. She was very tiny, white, and beautiful. Her fourteen-year-old pregnant slave mother arrived on a ship in New Orleans and was sold immediately to a plantation owner in Avoyelles Parish, Louisiana. Martha attempted to save her child from the hurt and shame she was

experiencing by leaving her in the field for a surrogate mother to raise Mama Fannie grew up to be a Christian woman of character raised her many biracial children in a loving manner and was allowed to marry three of the fathers of her many children and became the root of her family the Griffins **Straighten Up, America** Marian Olivia Heath Griffin,2021-10-06
