

A person is walking away from the camera down a long, dark hallway. The hallway is dimly lit, with a bright light source at the far end, creating a strong silhouette of the person and a long shadow on the floor. The walls and floor appear to be made of a dark, reflective material.

8 Biblical Truths

If God Was A Woman

Eugene H. Merrill

If God Was A Woman:

When God was a Woman Merlin Stone,1990 Here archaeologically documented is the story of the religion of the Goddess Known by many names Astarte Isis Ishtar among others she reigned supreme in the Near and Middle East Beyond being worshipped for fertility she was revered as the wise creator and the one source of universal order Under her women's roles differed markedly from those in patriarchal Judeo Christian cultures Women bought and sold property and traded in the marketplace and the inheritance of title and property was passed from mother to daughter How did the change come about By documenting the wholesale rewriting of myth and religious dogmas Merlin Stone details a most ancient conspiracy the patriarchal reimagining of the Goddess as a wanton depraved figure This portrait that laid the foundation for one of culture's greatest shams the legend of Adam and fallen Eve **The Power of a Woman's Words** Sharon Jaynes,2007-09-01

International speaker Sharon Jaynes believes that women have incredible power in their sphere of influence with the words they speak Words are one of the most powerful forces in the universe and they can be used for good or evil When God created our world He did so with words He said Let there be and it was so While our words cannot bring into existence things that are not they do have the power to build courage into a husband's life instill confidence into a child's heart fan into flames the dying embers of a friend's smoldering dreams and draw the lost to Christ This book is for every woman who desires to use her words to build up rather than tear down to encourage rather than discourage to cheer rather than jeer It is for all who desire to have more control over that mighty force called the tongue **When God Pursues a Woman's Heart**

Cindi McMenamin, **A Woman's Passionate Pursuit of God** Karol Ladd,2011-02-01 Karol Ladd author of the bestselling *The Power of a Positive Mom* shares a passionate exploration of Philippians with women who are longing to love God and life With humorous stories keen biblical understanding and engaging examples Karol encourages women to live with intention and joy and reveals how they can enjoy being a work in progress uplift others with sincerity change their thoughts and change their lives find strength when they are losing heart discover contentment in every situation Karol's trusted guidance and infectious enthusiasm will help women fall more deeply in love with God and His Word as His plan for their lives becomes more meaningful and possible than ever before Insightful leading questions make this a great resource for individual or group study **A Woman's Version of the Faust Legend** George Sand,2013-06-01

George Sand's *The Seven Strings of the Lyre* is a philosophical play written in poetic prose and never intended for performance on stage Completed in 1838 during the early stages of Sand's romantic involvement with Frederic Chopin it is one of the very few treatments of the Faust legend by a woman George Kennedy offers the first English translation of this work along with an introduction that places the play in its philosophical and literary context *The Seven Strings of the Lyre* is Sand's response to Goethe's *Faust* and a reflection of her views of music as developed in conversations with Chopin and Franz Liszt Sand unlike so many of her contemporaries saw Goethe as a less than ideal poet She criticized him for lacking enthusiasm belief and passion and she

faulted him for being a proponent of the art for art's sake movement which Sand deplored for its lack of social conscience Sand's play describes the efforts of Mephistopheles to win the soul of Albertus a teacher of philosophy and descendant of Faust Regarding Goethe's Mephistopheles as insufficiently wicked Sand conjures up a devil truly worthy of the epithet For Faust whom she considered too cold Sand substitutes the more emotional Albertus whose despair that life and love have passed him by in his devotion to philosophy makes him vulnerable to the machinations of the devil And in place of Goethe's village girl Marguerite or the dangerous Helen of the earlier Faust legend Sand creates the angelic Helen who awakens Albertus's love and teaches him the emotional and spiritual truths he had never learned from books Richly philosophical and deeply romantic the play is a reaction against eighteenth century rationalism It asserts the existence of some higher truth to be found in music poetry and a sympathetic response to nature but it also contrary to the doctrine of art for art's sake demands social responsibility from the artist Sand believed that the arts should lead society to an awareness of truth freedom and the meaning of life and The Seven Strings of the Lyre is an attempt to dramatize this belief Originally published in 1989 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
