**Rebel Girls** Jill Liddington, 2015-09-03 Rejecting the deadening conventions of their Victorian elders the rebel girls demanded new freedoms and new rights They took their suffrage message out to the remotest Yorkshire dales and fishing harbours to win Edwardian hearts and minds 16 year old Huddersfield weaver Dora Thewlis on arrest was catapulted

onto the tabloid front pages as Baby Suffragette Her life was transformed Dancer Lilian Lenton waited till her twenty first birthday then determined to burn two buildings a week until the Liberal government granted women the vote Rebel Girls shows how this daring campaigning shifted from community suffragettes to militant mavericks **Historic England: Hull** Paul Chrystal,2017-08-15 An illustrated history one of England s most fascinating cities Hull **British Indian Picture Postcards in Bengaluru** Emily Stevenson,2023-12-18 Combining ethnographic and archival research this book examines the lives of colonial period postcards and reveals how they become objects of contemporary historical imagination in India Picture postcards were circulated around the world in their billions in the early twentieth century and remained until the advent of social media unmatched as the primary means of sharing images alongside personal messages This book based on original research in Bengaluru shows that their lives stretch from their initial production and consumption in the early 1900s into the present where they act as visual and material mediators in postcolonial productions of history locality and heritage against a backdrop of intense urban change The book will be of interest to photographic historians visual anthropologists and art historians GWB Leeds Lucy Moore,Nicola Pullan,2015-11-02 The First World War claimed over 995 000 British lives and its legacy continues to be remembered today Great War Britain Leeds offers an intimate portrayal of the city and its people living in the shadow of the war to end all wars It describes the local reaction to the outbreak of war the experience of individuals who enlisted the changing face of industry and related unrest the work of the many hospitals in the area the effect of the conflict on children the women who defied convention to play a vital role on the home front and how the city and its people coped with the transition to life in peacetime once more The Great War story of Leeds is told through the voices of those who were there and is vividly illustrated with images from the archives of Leeds Museums Galleries **Brands and Branding Geographies** Andy Pike,2011-01-01 The volume edited by Andy Pike includes contributions by several leading figures in the study of brands places and place branding However this is not what makes the book a welcome addition to the literature What really makes the book interesting is actually the brave attempt to deal with an intrinsically difficult topic one that is rarely if ever explored the relationship between brands and branding with the places in and around which these operate Several facets of this relationship are explored in the book The book is introduced nicely by Andy Pike in a chapter that sets the scene and clarifies the intentions of the book I am glad the first book to handle these issues is on my shelves Mihalis Kavaratzis Regional Studies An incomparably rich trove of work on the multifarious and contradictory entanglements between space place and brand The volume helps us understand how and why places of origin play an ever greater role in the marketing of commodities even while corporations continue to seek placelessness in pursuit of the bottom line And it illuminates how and why entrepreneurial governments seeking to enhance global competitiveness increasingly turn to place branding at the neighborhood urban and national scale even while launching rounds of restructuring that undercut the authenticity and viability of local identities A valuable and accessible contribution to the urban studies and cultural studies

literature Miriam Greenberg University of California Santa Cruz US An important effort to pull together multidisciplinary research on the spatial dimensions of brands and branding in an international context John A Quelch Harvard Business School US Despite overstated claims of their global homogeneity ubiquity and contribution to flattening spatial differences the geographies of brands and branding actually do matter This vibrant collection provides a comprehensive reference point for the emergent area of brand and branding geographies in a multi disciplinary and international context The eminent contributors leaders in their respective fields present critical reflections and synthesis of a range of conceptual and theoretical frameworks and methodological approaches incorporating market research oral history discourse and visual analyses They reflect upon the politics and limits of brand and branding geographies and map out future research directions The book will prove a fascinating and illuminating read for academics researchers students practitioners and policy makers focusing on the spatial dimensions of brands and branding

**The Spectacle of Women** Lisa Tickner, 1988-03-31 Too artistic for political history too political for the history of art the visual history of the campaign for women s suffrage in Britain has long been neglected In this comprehensive and pathbreaking study Lisa Tickner discusses and illustrates the suffragist use of spectacle the design of banners posters and postcards the orchestration of mass demonstrations in an unprecedented propaganda campaign

*World War I in Central and Eastern Europe* Judith Devlin, John Paul Newman, Maria Falina, 2018-07-30 In the English language World War I has largely been analysed and

understood through the lens of the Western Front This book addresses this imbalance by examining the war in Eastern and Central Europe The historiography of the war in the West has increasingly focused on the experience of ordinary soldiers and civilians the relationships between them and the impact of war at the time and subsequently This book takes up these themes and engaging with the approaches and conclusions of historians of the Western front examines wartime experiences and the memory of war in the East Analysing soldiers letters and diaries to discover the nature and impact of displacement and refugee status on memory this volume offers a basis for comparison between experiences in these two areas It also provides material for intra regional comparisons that are still missing from the current research Was the war in the East wholly other Were soldiers in this region as alienated as those in the West Did they see themselves as citizens and was there continuity between their pre war or civilian and military identities And if in the Eastern context these identities were fundamentally challenged was it the experience of war itself or its consequences in the shape of imprisonment and displacement and changing borders that mattered most How did soldiers and citizens in this region experience and react to the traumas and upheavals of war and with what consequences for the post war era In seeking to answer these questions and others this volume significantly adds to our understanding of World War I as experienced in Central and Eastern Europe Words and the First World War Julian Walker,2017-12-28 An illustrated analytical study Words and the First World War considers the situation at home at war and under categories such as race gender and class to give a many sided picture of language used during the conflict The Spectator First World War expert Julian Walker looks at how the conflict shaped English and its relationship with other languages He considers language in relation to mediation and authenticity as well as the limitations and potential of different kinds of verbal communication Walker also examines How language changed and why changed language was used in communications Language used at the Front and how the language of the war was commercially exploited on the Home Front The relationship between language soldiers and class The idea of the indescribability of the war and the linguistic codes used to convey the experience Languages of the front became linguistic souvenirs of the war abandoned by soldiers but taken up by academics memoir writers and commentators leaving an indelible mark on the words we use even today *Art and War* Laura Brandon,2012-11-25 This is a truly encyclopedic survey of artists responses both official and personal to the horrors of war Art and War reveals the sheer diversity of artists portrayals of this most devastating aspect of the human condition from the heroic paintings of Benjamin West and John Singer Sargent to brutal and iconic works by artists from Goya to Picasso and the equally oppositional work of Leon Golub Nancy Spero and others who reacted with fury to the Vietnam War Laura Brandon pays particular attention to work produced in response to World War I and World War II as well as to more recent art and memorial work by artists as diverse as Barbara Kruger Alfredo Jarr and Maya Lin She looks finally to the reactions of contemporary artists such as Langlands and Bell to the US invasion in 2001 of Afghanistan and the War on Terror **It's All a Game** Tristan Donovan,2017-05-30 A timely book a wonderfully

entertaining trip around the board through 4 000 years of game history The Wall Street Journal Board games have been with us even longer than the written word But what is it about this pastime that continues to captivate us well into the age of smartphones and instant gratification In It s All a Game Tristan Donovan British journalist and author of Replay The History of Video Games opens the box on the incredible and often surprising history and psychology of board games He traces the evolution of the game across cultures time periods and continents from the paranoid Chicago toy genius behind classics like Operation and Mouse Trap to the role of Monopoly in helping prisoners of war escape the Nazis and even the scientific use of board games today to teach artificial intelligence how to reason and how to win With these compelling stories and characters Donovan ultimately reveals why board games from chess to Monopoly to Risk and more have captured hearts and minds all over the world for generations Splendid A quick and breezy read it doesn t just tell the fascinating stories of the often struggling individuals who created our favorite games It also manages to convey the entire sweep of board game history from the earliest forms of checkers to modern day surprise hits like Settlers of Catan Mashable Artfully weaves together culture business and ways games impact society Booklist A fascinating and insightful discussion not only of games past but the socioeconomic and historical factors that contributed to their popularity Chicago Review of Books

**Alternative Journalism, Alternative Voices** Tony Harcup,2013 Bringing together new and classic work by Tony Harcup this book considers the development of alternative journalism from the 1970s up until today Bringing theory and practice together Harcup builds an understanding of alternative media through the use of detailed case studies and surveys Including opinions of journalists who have worked in both mainstream and alternative media he considers the motivations practices and roles of alternative journalism as well as delving into ethical considerations Moving from the history of alternative journalism Harcup considers the recent spread of citizen journalism and the use of social media and asks what the role of alternative journalism is today

**American Abstract Expressionism** Anne MacPhee,David Thistlewood,1993-01-01 The question of what kind of city we are trying to have is an urgent one as the world continues its dramatic urbanization Urban Visions presumes that an understanding of our urban experience is a prerequisite for envisioning what the city could be In assembling work by distinguished authors from different disciplines and countries Urban Visions offers a patient examination of what urban experience is and of the city s necessity with explicit and implicit propositions about what it could be The book is illustrated in full color

HELP! I'm Living with a (Man) Boy Betty McLellan,2006 Are you tired of finding towels on the bathroom floor How do you go about making men understand the difference between helping out with the housework and doing it And what about violence This book features forty one practical scenarios that many women will identify with immediately It provides suggestions for dealing with these situations

Bradley's Railway Guide Simon Bradley,2024-10-10 A lifetime of railway love distilled into a most beautiful volume Lucy Worsley Our railway history could not have been told more palatably or more nourishingly David Kynaston The most attractive comprehensive and easily digestible history of the oldest railway system in

the world Michael Palin In 1825 the Stockton Darlington company strode into history with the opening of the world's first public steam railway What the SDR had pioneered soon picked up speed transforming lives and landscapes connecting far flung corners of the nation and creating its own distinctive environments and working worlds This ambitious and lavishly illustrated volume brings the story of Britain's railways to life spanning two centuries of achievement and change Full of colour and incident it is an exhilarating journey through time and space revisiting favourite themes and introducing unfamiliar stories and places With original and engaging entries on everything from dining saloons to collecting dogs wartime salvage efforts and the iconic Rail Alphabet Simon Bradley gives George Bradshaw's famous 19th century guide a run for its money in this fresh and distinctive chronicle of the making of Britain's railways
