teaching sewing for years Stephnie noticed all her beginning sewing students labored with the same tendencies She found
these tendencies were discouraging the desire to continue sewing What a sad affair to crush a persons creativity not to
mention denying the pure enjoyment garnered from taking sewing classes Therefore she felt compelled to list the tendencies
about 30 Actually this was just the beginning of the list After identifying the Tendency Stephnie wrote out a description of
what was happening with each tendency calling it The Problem The evolution continued with answers and solutions calling
them To Clarify Wow Today the number is more like 90 something Example many times her students had trouble taking the
fabric with the finished seam out from under the foot Stephnie would causally place her hand in front of the sewing machine
needle and ask Where is your take up lever When the student realized the take up lever was hiding Stephnie s next remark
was Turn the hand wheel like a Waterfall until the take up lever is at its highest point Now you can retrieve your fabric
Stephnie provided photos and drawings on the page facing each tendency This will help you the reader understand the text
