David Samuel Green succeeds admirably and wastes no time in tracing the evolution of human relationships. But he also puts forward new theories regarding the state of relations between males and females across the globe including married couples. What Green's new book further accomplishes lies in its no holds barred exploration of matters of the heart. Specifically the author examines methods we can employ to eliminate problems that tend to hamper our relationships and shows us how best to get the most out of our unions with emphasis on how product thinking and egalitarianism assist remarkably. Besides offering solutions for troubled marriages and other relationships the book also extols several concepts that go hand in hand with love and happiness. At the same time it becomes clear that if we want our unions and partnerships to work we have to bring the right attitude to the table. After all as we learn the ingredients for a successful relationship must include compassion forgiveness and understanding.

LooseLeaf for Essentials of Understanding Psychology Robert S. Feldman, 2016-09-01. Students First Designed for student success Feldman provides students with a powerful learning framework to help them connect engage and feel excited about psychology. Using a revolutionary revision process Essentials of Understanding Psychology is a fully integrated learning system that brings the Students First goal to a new level. With the adaptive learning program SmartBook™ every student has a unique experience personalized to their needs. The new edition has continued to use the HeatMap technology to advise the revision. Systematic and precise feedback from thousands of students was anonymously collected using LearnSmart™. Because virtually every paragraph in the previous edition is tied to several questions students answer in LearnSmart the author was able to see where students struggled most the hot spots and in turn refine and update these areas to be more clear more concise and more impactful. The 12th edition continues with Feldman's accessible pedagogy and hallmark research as well as his modules within chapters format that is both manageable for students and allows every professor the flexibility to assign and cover what they want.
