Grade 4 EL Education,2013-06 EL Education's ELA Curriculum combines rigorous standards aligned content with effective instructional practice. Developed by teachers for teachers, the curriculum draws on EL Education's 20 years of experience to engage teachers and students in active learning every day. It covers 160 days of instruction across a school year, developed down to the level of daily lessons and addresses a full year of English Language Arts instruction in four modules. Students get excited about learning through authentic texts, compelling topics, and ownership of their own learning. Teachers get a vision of the instructional practices that support a standards-aligned classroom and the tools to create it. Originally commissioned by New York State when EL Education went by the name Expeditionary Learning, the version of the ELA curriculum posted on New York's Engage NY website has been downloaded over 6 million times. This edition has been updated with alignment to nationwide Common Core standards and has been adopted by schools and districts in 43 states. Washington D C Grade 4 Module 2B explores animal defense mechanisms. Students build proficiency in writing an informative piece and become experts in one chosen animal. They read closely to practice drawing inferences and use a science journal to make observations and synthesize information. They choose an animal and research the threats to its survival and how it is equipped to deal with them. For the final performance task, students plan, draft, and revise a choose your own adventure narrative starring their chosen animal, making use of its defense mechanisms. A complete set of materials for Grade 4 Module 2B should include the Teacher Guides 978 1683621652, one Student Workbook 978 1683621669 per student, and the required trade books for this module.
