Spiritual Experience** Jeff Astley,2020-03-31 Spiritual religious sacred or mystical experiences may be broadly defined as  
subjective human experiences that appear to the person undergoing them or to others to convey or imply contact with or  
knowledge about a transcendent power presence or superior reality beyond the realm of the physical Research has shown  
that these forms of awareness of something beyond are of considerable significance in the ordinary lives of very many people  
as well as being elements of signal importance in the origin and development of religion not least by deepening  
characteristically spiritual or religious attitudes emotions beliefs values and practices along with fundamental orientations of  
life and quests for meaning This Studyguide provides a succinct and lucid introduction to the subject for those studying  
religion at both undergraduate and GCE AS A level By exploring the key areas of both the empirical and theoretical study of  
religious and spiritual experience the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to  
explore the range of challenging data debates approaches and issues that relate to the study of this widespread and  
significant phenomenon      *Study Guide for Psychology in Everyday Life* David G. Myers,Richard O. Straub,2008-11-28
