stage this select cadre of women served as ambassadors of their nation in the propaganda clashes of the Cold War The stylish Pucci clad American stewardess represented the United States as middle class and consumer oriented hallmarks of capitalism s success and a stark contrast to her counterpart at Aeroflot the Soviet national airline As the apotheosis of feminine charm and American careerism the stewardess subtly bucked traditional gender roles and paved the way for the women s movement Drawing on industry archives and hundreds of interviews this vibrant cultural history offers a fresh perspective on the sweeping changes in twentieth century American life
