Academic Writing, Assessment, and Neurodiversity Adrian J. Wallbank,2025-11-28 The number of students with specific learning difficulties entering higher education has increased dramatically over the last decade yet academic support for these students is often insufficient This innovative book will equip teaching staff with the tools to support these students with learning and assessment arming them with the skills they need to excel in higher education Combining a scholarly rationale for inclusive pedagogies with practical strategies for busy practitioners the book uses accessible and meaningful inclusive techniques based on the principles of Universal Design for Learning UDL the theory of Complementary Cognition and the author s own principles of compositional pictography to show how educators can harness students differing cognitive strengths and help them to use them to their own advantage The book demonstrates how the challenges associated with learning differences are manifested in student writing and assessment with chapters covering such topics as How to scaffold support to develop the areas students find challenging How to deploy metaphorical and visual pedagogies to develop approaches to studying and writing How to make assessment design more inclusive Presenting an inclusive practical and research informed pedagogical approach to the teaching of academic writing this practical guide is an essential read for anyone supporting higher education students with assessment including tutors lecturers learning developers and disability advisors

Profitable Posts Social Media Marketing Plan to Build an Online Business to Profit Up to Six Figures ,2024-01-22 INTRODUCTION There comes a time when the elastic snaps When you push yourself to breaking point and everything crashes down My breaking point came on a gloomy Monday morning commute in 2015

Sitting in my car waiting for the lights to change I looked at two guys in their cars on either side of me They looked as miserable as I felt At that moment I burst into tears What the fuck was I doing with my life I was unhappy in my personal life and hated my job I couldn't see a way out I was too invested in my career too old to start again Looking back I didn't know jack shit about building a fitness business Corporate marketing is one thing Doing everything from scratch alone in a different industry is another I didn't have a creative agency or a multimillion pound budget All I had was a Personal Trainer certificate and the ironparadisefitness.com domain name Nevertheless I started building my online empire Or as I now refer to it pissing in the wind for two years I would write lousy articles post selfies and wonder why clients weren't beating down my virtual door Desperate to carve a way out of corporate life I vowed not to quit My business was my obsession Going out meeting friends and taking a break were a rarity I thought it was the only way to be successful I became a hermit A recluse Like the creepy guy kids fear in horror movies That's Old Man Mitchell from No 29 He never leaves the house Some say he only goes outside to dispose of the dead bodies I wasn't that bad but my social life went on ice I studied nutrition and learned the intricacies of exercise mechanics I read books and invested in courses on social media copywriting and web design Iron Paradise Fitness had consumed my entire life and I loved it It was the fire in my belly I'd been missing The passion I needed Although it did make for awkward conversations on Tinder dates What do you like to do in your spare time The innocent question would come Well I'm building my own business right now so that's my main focus Ah cool But what do you like to do for fun Work on my business Yeah but what about when you're not doing that I'm either working on my business thinking about working on my business or eating Oh

What to Do When You Don't Want to Be Apart Kristen Lavalley, Silvia Schneider, 2021-07-15 Hot air balloon pilots have wonderful adventures where they get to see things they have never seen before and learn all about the world outside Flying a hot air balloon sounds like a lot of fun to some kids But for other kids the idea of flying off on their own away from their parents or homes doesn't sound like fun at all If you feel scared when you do something alone or away from your parents this book is for you What to Do When You Don't Want to Be Apart guides children and their parents through the emotions underlying separation anxiety using strategies and techniques based on cognitive behavioral principles This interactive self help book is the complete resource for educating motivating and empowering children to overcome separation anxiety so they can become the confident pilots of their very own hot air balloons
