Standards

Grade 8
Florida Statewide
Science Assessment
Answer Key

These standards constitute a portion of the Florida Statewide Science Assessment standards used previously, and must be supplemented with other standards, concepts, and competencies from other assessment assessments (standards not included). To what grade the State Assessment, including State Standards (NGSSS) standards, is assessed by each state in the February 2020. The State Board of Education adopted updated standards. These new standards are included in this booklet to provide updates with additional information.

Multiple-choice items on Florida Statewide Science Assessment are scored by computer using a key for each correct answer.

This project is a science practice (test materials) to be administered and students for the system of assessment on Florida Statewide Science Assessment. By using these materials, students will become familiar with the system of testing and computer-based items they will see on the actual test. The practice test questions and answers are not intended to demonstrate the length of the actual test, nor should students' responses be used as an indicator of student performance on the actual test.
