China's Geography Gregory Veeck, Clifton W. Pannell, Xiaoping Shen, Youqin Huang, 2021-04-07 Despite China's clear and growing importance on the world stage it remains often and easily misunderstood Indeed there are many Chinas as this comprehensive survey the most current and authoritative introduction available vividly illustrates Now in a thoroughly revised and updated edition this text traces the changes occurring in this powerful and ancient nation across both time and space Beginning with China's diverse landscapes and environments and

continuing through its formative history and tumultuous recent past the authors show contemporary China as a product of both internal and external forces They consider historical and current successes and difficulties including economic political cultural and environmental challenges while placing China in its international context as a massive developing diverse nation that is meeting the needs of its 1.4 billion citizens while becoming an aggressive major regional and global player Through clear prose and 160 insightful maps tables and photos China's Geography illustrates and explains the great economic political and social differences found throughout China's many regions Accompanying the book is a companion website that provides a wealth of additional materials including sample lectures color versions of all the graphics time series and provincial data files for student projects in Excel lists of favorite films and websites and public domain maps for student use

Chinese Migrants and Africa's Development Doctor Ben Lampert, Doctor May Tan-Mullins, Daphne Chang, Giles Mohan, 2014-06-12 China's recent stepping up of relations with Africa is one of the most significant developments on the African continent for decades For some it promises an end to Africa's dependent aid relationships as the Chinese bring expertise technology and a stronger business focus But for others it is no more than a new form of imperialism This book is the first to systematically study the motivations relationships and impact of this migration It focuses not just on the Chinese migrants but also on the perceptions of and linkages to their African hosts By studying this everyday interaction we get a much richer picture of whether this is South-South cooperation as political leaders would have us believe or a more complex relationship that can both compromise and encourage African development Geography Jan Nijman, Peter O.
