Geography Preparatory 2014 Memorandum:

A Handbook on Regional Integration in Africa Brendan Vickers, 2017-04-10 A Handbook on Regional Integration in Africa advises and informs on current dynamics opportunities challenges and policy options for Africa's regional integration agenda It is a unique resource for supporting capacity building on African regional trade issues [The Routledge Handbook on Radicalisation and Countering Radicalisation](#) Joel Busher, Leena Malkki, Sarah Marsden, 2023-11-28 This handbook provides a theoretical and methodological exploration of the research on radicalisation and counter radicalisation one of the most influential concepts in Security Studies International Relations and Peace and Conflict Studies Sitting at the heart of high profile research and policy agendas on preventing and countering violent extremism CVE radicalisation as a concept has transformed the way researchers policymakers and societies think about how to counter terrorism and political violence Deliberations about radicalisation and countering radicalisation have become further embedded as efforts to prevent and counter violent extremism have been mainstreamed into other areas of public policy and practice such as education gender relations health peacebuilding aid and development Theoretically and methodologically pluralistic this handbook addresses radicalisation and countering radicalisation as they relate to a wide range of groups and milieus articulating diverse ideological positions drawing together insight and experience from multiple geographic and institutional settings integrating global perspectives and including scholarship focused on a range of policy fields This book will be an essential reference point for anybody working on radicalisation countering radicalisation or terrorism and political violence more broadly The insight that it provides will be relevant for both academics and members of relevant policy and practitioner communities

[Yearbook of International Organizations 2014-2015 \(Volume 4\)](#) Union Of International Associations, Union of International Associations, 2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations **The United States and the End of British Colonial Rule in Africa, 1941-1968** James P. Hubbard, 2014-01-10 At the end of World War II Britain possessed a vast African empire encompassing nearly 27 million square miles about 10 times larger than Britain itself But by 1965 only three small African territories remained under British control all of which would become independent before the end of 1968 This book examines the swift demise of Britain's African empire looking particularly at

the role played by the United States in bringing the empire to an end It reveals how the United States was anti colonial without being actively pro independence concluding that the country s policies and actions combined with its postwar dominance directly and indirectly contributed to the political economic and social transformation of Africa The Transformation of the International Order of Asia Shigeru Akita, Gerold Krozewski, Shoichi Watanabe, 2014-07-25 In Asia the 1950s were dominated by political decolonization and the emergence of the Cold War system and newly independent countries were able to utilize the transformed balance of power for their own economic development through economic and strategic aid programmes This book examines the interconnections between the transfer of power and state governance in Asia the emergence of the Cold War and the transfer of hegemony from the UK to the US by focusing specifically on the historical roles of international economic aid and the autonomous response from Asian nation states in the immediate post war context The Transformation of the International Order of Asia offers closely interwoven perspectives on international economic and political relations from the 1950s to the 1960s with specific focus on the Colombo Plan and related aid policies of the time It shows how the plan served different purposes Britain s aim to reduce India s wartime sterling balances in London the quest for India s economic independence under Jawaharlal Nehru Japan s regional economic assertion and its endeavour to improve its international status Britain s publicity policy during the reorganization of British aid policies at a time of economic crisis and more broadly the West s desire to counter Soviet influence in Asia In doing so the chapters explore how international economic aid relations became reorganized in relation to the independent development of states in Asia during the period and crucially the role this transformation played in the emergence of a new international order in Asia Drawing on a wide range of international contemporary and archival source materials this book will be welcomed by students and scholars interested in Asian international and economic history politics and development studies **General Catalogue of Printed Books** British Museum. Department of Printed Books, 1971 General Catalogue of Printed Books British Museum. Dept. of Printed Books, 1959 **Planning London for the Post-War Era 1945-1960** Emmanuel V. Marmaras, 2014-09-16 This book deals with the formation of the post Second World War reconstruction and planning machinery in Great Britain the re planning efforts undertaken in post war London and in particular the redevelopment programme regarding its central area in the form of the comprehensive development projects Originating from a PhD Thesis the book recreates the atmosphere following step by step arguments and events at various political socio economic and technical levels It also contributes to the understanding of succeeding developments in terms of planning theory and practice The book is structured into three parts The first one explores the administrative and statutory developments in town planning matters during the period 1940-59 The second part deals with the plans proposed for London as a whole from independent and official organisations mainly during the 1940s Finally the third part examines the proposed projects for the rebuilding of the City of London and for special areas of Central London that suffered from bombing on both sides of the Thames
