Grade Timetable From Limpopo:

Emerging Voices Human Sciences Research Council, Education Policy Consortium (South Africa), 2005 This examination graphically illustrates the conditions that make dreams of a better life for all virtually unrealizable in rural areas of South Africa Through the voices of rural people themselves this study tells not only what the problems surrounding education are but also what can and should be done when the South African government launches its offensive against poverty in rural areas Rigorous and qualitative the text is an overview of the need of great numbers of people for the opportunities and capabilities that education can provide for their futures It also shows the existing situation of many impoverished populations worldwide and illustrates that poverty and inequality continue where such issues are not addressed **An Evaluation of**

the Capacity of South African Schools to offer Multi-grade Teaching Dr Segwadi Joseph Kokela, Dr KS

Malatji, 2023-08-24 Small schools due to a variety of reasons are compelled to opt for multi grade teaching in which learners of more than one grade are taught in one class Resultantly the purpose of this study was to evaluate the capacity of South African schools in the implementation of multi grade teaching The study followed a qualitative approach to evaluate the implementation of multi grade teaching A case study research design was followed with an interpretive paradigm to evaluate day to day offering of multi grade teaching The population in this study consisted of principals and teachers who were selected through purposive sampling Data were collected through focus group and face to face semi structured interviews as well as document analysis Kolb's experiential learning theory was used as a theoretical framework for this study to evaluate the offering of multi grade teaching in case study schools The thematic approach was used to analyse data To ensure issues of ethical consideration the researcher ensured that there is anonymity confidentiality informed consent voluntary participation participants privacy and safety The study found that schools in Sekhukhune South Education District could not offer multi grade teaching This was mainly based on the lack of central policies on multi grade teaching as well as inappropriate teacher development programmes Insufficient human and financial resources were also identified as key hindrances in the implementation of multi grade teaching Resultantly the study suggested that the serving teachers their SMTs and their Curriculum Advisors must be provided with in service training on multi grade teaching On the other hand teacher training universities should have a compulsory module on multi grade teaching The study also recommended the establishment of a DoBE unit that solely focuses on matters related to multi grade teaching The study further recommended that the DoBE should develop central policies on multi grade teaching It was also recommended that the DoBE's Post Provision Model and the National Norms and Standards for School Funding must be revised to cater for the needs of multi grade schools The study further proposed a new framework to engender collaboration amongst principals parents and Curriculum Advisors in school based multi grade policy formulation advocacy training as well as monitoring and support
