[The cultural & heritage guide for Nepal](#) ,2025-09-24 **Locating the Field** Simon Coleman,Peter Collins,2020-09-09 Are reports of the death of conventional fieldwork in anthropology greatly exaggerated This book takes a critical look at the latest developments and key issues in fieldwork The nature of locality itself is problematic for both research subjects and fieldworkers on the grounds that it must now be maintained and represented in relation to widening

and fragmenting social frames and networks Such developments have raised questions concerning the nature of ethnographic presence and scales of comparison From the social space of a cybercafe to cities in India the UK and South Africa among others this book features a wide range of ethnographic studies that provide new ways of looking at the concepts of locality and site It shows that rather than taking key fieldwork processes such as globalization and mobility for granted anthropologists are well placed to examine and critique the totalizing assumptions behind these notions All in 1 Guide Book: CBSE Class 10 for 2022 Examination Gurukul,2021-06-21 Benefit from Effective Practice Easy Revision for Class 10 CBSE Board Examinations 2022 with our All in 1 Guide Book Consisting of 6 subjects including English Language Literature Hindi A Hindi B Mathematics Science and Social Science Our handbook will help you study well and prepare at home with all the answers stictly based on marking scheme issued by Board Why should you trust Gurukul Books Oswal Publishers Oswal Publishers has been in operation since 1985 Over the past 30 years we have developed content that aids students and teachers in achieving excellence in education We create content that is extensively researched meticulously articulated and comprehensively edited catering to the various National and Regional Academic Boards in India How can you benefit from Gurukul All in 1 Guide Book for 10th Class Our handbook is a one stop solution for Class 10 CBSE students study requirements With multiple subjects in one book formulated chapterwise and categorywise also including NCERT Past Years Board Examination Papers Toppers s Answers our guide is a complete book you will need to prepare for 2022 board examinations Apart from study material and solved papers in 6 subjects our book is enriched with MCQs Probable Objective Type Questions to improve study techniques for any exam paper Students can create vision boards to establish study schedules and maintain study logs to measure their progress With the help of our handbook students can also identify patterns in question types and structures allowing them to cultivate more efficient answering methods Our book can also help in providing a comprehensive overview of important topics in each subject with Source based Case based Passage based and Picture based Questions making it easier for students to prepare for the exams
