A Dangerous Church Volume Two Riaan Engelbrecht, 2023-01-20 God is rising up an army that refuses to be silent who will not flinch in times of trial or tribulation will not shy away when faced with evil and will not compromise His Truth Such an army is right now being formed on the earth the remnant that will arise out of the ruins of religiosity and carnality They are like the 7000 faithful who God said to Elijah refused to bow the knee before Baal Yes this is a dangerous remnant filled by the Spirit of God for they will be like the first apostles and disciples They are dangerous for they are not unsettled by Baal do not fear man and laugh along with God who loves His enemies They are dangerous for they love the truth and they know the battle belongs to God

Example in this ebook CHAPTER XV A DOOR OPENS Another year had passed and Colin now of full age had tired of working for Cicolari It was all very well this moulding clay and carving replicas of afflicted widows it was all very well this modelling busts and statuettes and little classical compositions it was all very well this picking up stray hints in a half amateur fashion from the grand torsos of the British Museum and a few scattered Thorwaldsens or antiques of the great country houses but Colin Churchill felt in his heart of hearts that all that was not sculpture He was growing in years now and instead of learning he was really working Still he had quite made up his mind that some day or other he should look with his own eyes on the glories of the Vatican and the Villa Albani Nay he had even begun to take lessons in Italian from Cicolari counting his chickens before they were hatched Minna said so that he might not feel himself at a loss whenever the great and final day of his redemption should happen to arrive The dream of his life was to go to Rome and study in a real studio and become a regular genuine sculptor Nothing short of that would ever satisfy him he told Minna and Minna though she trembled to think of Colin s going so far away from her among all those black eyed Italian women too and Colin had often told her he admired black eyes like hers above all others poor little Minna could not but admit sorrowfully to herself that Rome was after all the proper school for Colin Churchill The capital of art he repeated to her over and over again must it not be the right place for him who she felt sure was going to be the greatest of all modern English artists But how was Colin ever to get there Going to Rome costs money and during all these years Colin had barely been able to save enough to buy the necessary books and materials for his self education The more deeply he felt the desire to go the more utterly remote did the chance of going seem to become to him And yet I shall go Minna he said to her almost fiercely one September evening Go to Rome I will if I have to tramp every step of the way on foot and reach there barefoot Minna sighed and the tears came into her eyes but strong in her faith and pride in Colin strong in her eager desire that Colin should give free play to his own genius she answered firmly with a little quiver of her lips You ought to go Colin and if you think it d help you you might take all that s left of my savings and I d go back again willingly to the parlour maiding Colin looked at the pretty little pupil teacher with a look of profound and unfeigned admiration Minna he said dear little woman you re the best and kindest hearted girl that ever

breathed but how on earth do you suppose I could possibly be wretch enough to take away your poor little savings No no little woman you must keep them for yourself and use them for making yourself I was going to say into a lady but you couldn't do that Minna you couldn't do that for you were born one already Still if you want me to be a real sculptor I want you little woman just as much to be a real educated gentlewoman Colin said the last word with a certain lingering loving cadence for it had a good old fashioned ring about it that recommended it well to his simple straightforward peasant nature Well Colin Minna went on blushing a bit for that last quiet hint seemed half unintentionally to convey the impression that Colin really possessed a proprietary right in her whole future we must try our best to find out some way for you to go to Rome at last in spite of everything You know meanwhile you've got good employment Colin and that's always something To be continue in this ebook
