

# MATH LEARNING PROGRESSIONS

An IEP Goal writing Tool

Common Core Aligned

CONCRETE  $\Rightarrow$  REPRESENTATIONAL  $\Rightarrow$  ABSTRACT

## Standards for Mathematical Practice

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics.
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make use of structure.
8. Look for and express regularity in repeated reasoning.

|               | Kindergarten                                                    | 1st Grade                                                                                                                                                                                            | 2nd Grade                                                                                                                                                                                                               | 3rd Grade                                                                                                                                           | 4th Grade                                                                                                                             | 5th Grade                                                                                                                                        |
