**Into the Fae** Quinn Loftis, 2019-01-29 With peace finally descending on the Romanian Grey Wolves longtime fae ambassador to the wolves Perizada has been given a new mission by the Great Luna But Peri's desire for revenge against her sister Lorelle burns in her heart Further complicating matters the great white wolf Lucian Lupei has been returned to the pack after centuries trapped in the Dark Forest and it appears he is destined to be with Peri Can she put aside her thoughts of vengeance long enough to accept Lucian's love and complete her mission *The Grey Wolves Series Books 4-6* Quinn Loftis, 2019-10-28 Darkness has descended on the Transylvanian Alps The Grey Wolves Series continues as the pack recovers from betrayal by one of their own an Alpha hell bent on becoming the most powerful Canis lupis on earth And though the wolf's assassination attempt on Vasile the leader of the Romanian greys failed he's left destruction death and a missing mate behind him The rogue Alpha fled but he's left a surprise for the Romanian pack a witch intent on destroying the Romanian grey wolves A devastating curse threatens to cripple Decebel and could dissolve his fragile bond with his mate Jennifer Meanwhile injured and alone Jen has been fighting for her life She has come to terms with her fate accepting she will not share a life with Decebel until help comes in the most unexpected form but will it be in time The Romanian pack will have to use all its resources including Sally the pack's new gypsy healer to find a way to destroy the witch lift the curse and solve a mystery that's surrounded the wolves for 300 years What readers are saying about this series All time favorite Wolf Series My new favorite series I went through all 6 in under 5 days I could not put them down Best Series EVER If you haven't started with volume one stop go back and read all 7 books in order You'll be glad you did If you like shifter series then you'll love the Grey Wolves Series The Grey Wolves Series has over 100 thousand five star reviews across all platforms Don't start this series unless you're ready to join the pack You will get hooked **Den Of Sorrows** Quinn Loftis, 2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace One of their own Sally Miklos the young and powerful gypsy healer aids Perizada in her quest to defeat Volcan a long forgotten nightmare returned to our world These two packs watch as their brothers across the world wolves from Spain Ireland and America join their own forces in the battle against the evil dark fae At the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers While Jacque and Jen miss Sally their longtime best friend they have bided their time dealing with their own domestic issues Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant Both girls are eagerly awaiting Sally's return and have Perizada's word that she will be back in time for the birth of Jacque's baby Vasile and Alina the Alpha pair of the Romanian pack are enjoying this time of peace But Vasile did not become the most powerful Alpha in centuries by being a fool He has lived long enough to know that there is always another battle on the horizon As long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves But the battle he is anticipating is bigger than

he could have ever imagined As Perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent The high fae has declared war and she expects Vasile and his wolves to be the ones to carry out the attack The Alpha is more than happy to oblige But with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm s way Such is the job of the Alpha protector and provider He and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world It will be their job to destroy the creatures that threaten to expose them all And if they fail the world as they know it both human and supernatural will never be the same **Reign of Blood** Quinn Loftis,2022-12-27 Because I created you for such a time as this The Great Luna s words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna s warriors have faced depraved adversaries and each time they ve risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die

**Tears Of The Moon** Quinn Loftis,2018-12-07 The Romanian Grey Wolves have been kicked beaten and stomped assailed from every side Yet every time evil thinks it s gotten the upper hand the wolves come roaring back to protect their own No darkness can stand against them especially when they fight united with their supernatural allies But what happens when the darkness refuses to stand and fight Instead it flees spreading across an entire continent infecting the supernatural races as it goes Will the wolves be able to stand against the hidden darkness the Order of the Burning Claw or will they crumble as it shakes them to their foundations Sally the group s gypsy healer is home with her pack seemingly recovered from the psychic assault against her mind Unbeknownst to the pack and its leaders however something sinister has followed in her wake Vasile and his wolves will need the help of Thalion prince of the elves if they are to find a way to fight the veiled evil threatening both human and supernatural alike But Thalion has his own mysteries to unravel His father Ludcarab the elven king is discovered alive after having been lost for centuries And neither Thalion or Vasile could possibly guess that Ludcarab might be the key to solving the puzzle of the Burning Claw **The Grey Wolves Novella Collection** Quinn

Loftis,2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally s mind She s broken and no one can fix her not her friends try as they might and not her beautiful mate She d thought when Costin had rescued her from Jericho s clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she d done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger      **Fate And Fury** Quinn Loftis,2013-03-13 The last few days have been the darkest of Sally s life After experiencing the joy of finding her mate she now suffers the pain of losing everything she holds dear Both the Romanian and Serbian packs have been captured ripping Sally s soul mate away from her almost as soon as she had found him Her best friend and the emotional glue that usually holds Sally together Jacque Pierce lies writhing in a restless coma having been put down by Desdemona s dark magic Jennifer Adams the unshakable one has revealed to her friends and her mate that she is pregnant but the Fates have marked her unborn baby for death Though she rails against the darkness deep inside Jen knows that Decebel s baby must die as payment for her own life and the knowledge is tearing her soul to pieces      **The Grey Wolves Series Books 1-6** Quinn Loftis,2020-10-06 Read the series with over 100 thousand five star ratings across all platforms Readers love being a part of the Grey Wolves Pack This is one of my absolute favorite series Quinn has a way of telling a story with so much emotion you can almost feel what the characters feel She tells the story with great detail and enthusiasm Amazon verified review This collection includes the first six books of the series at a discount of 50% off the regular price Prince of Wolves Blood Rites Just One Drop Out of the Dark Beyond the Veil Fate and Fury The Grey Wolves series follows the adventures of three high school seniors Jacque Jen and Sally as the girls are

introduced to the hidden world of the Romanian grey wolves The grey wolves universe is populated with dominant male Alpha werewolves who slowly succumb to the darkness within them unless they find their true mates It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world But destiny won't be fulfilled without a fight Female Canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females Then ensuring chaos will undermine the strength of the packs just when a new threat to the Canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates What readers are saying All time favorite Wolf Series My new favorite series this book was my escape from all of it The way Fane and Jacquelyn meet is right out of every girl's dream This book is completely awesome I'm loving the series can't wait to read the next one I totally recommend this book If you like shifter novels then you'll love the Grey Wolves Series Don't start this series unless you're ready to join the pack You will get hooked *Wolves of Wrath* Quinn Loftis, 2017-09-27 Long ago during the Great Purge the witches that had grown too many in number and too powerful were destroyed The high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified So they killed all of the witches and their creator or so they thought But they were wrong Volcan the high fae who had once been a member of their council until he decided he wanted to be all powerful and created the witches had bided his time hiding in the Dark Forest Now he's back and hell bent on rebuilding his army of witches Only this time he's set his eyes on the gypsy healers to be the tool from which he creates them He already has two of the newly found healers Jewel and Anna with his blood running in their veins And though he thinks he's got it all planned out what Volcan hadn't calculated into his formula of healers his blood witches was the healer's mates Dalton and Gustavo Both males are more than ready to sink their teeth into the high fae who has taken their females With the darkness closing in on all four of them it is a toss up as to who will succumb to it first Meanwhile the healers and wolves Peri had stashed in the pixie realm are sitting ducks with the Veil between them and the human realm locked The mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm Perizada is once again fighting for those who are under her protection while at the same time trying not to kill them herself Considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period it's not certain who will destroy who The only thing that was certain none of them was willing to surrender Throw in a powerful eccentric Djinn who has suddenly gotten bored and things are guaranteed to get messy This is the continuation of the story of the five gypsy healers the fae who protects them and the wolves whose wrath will consume any who come between them **Wolf Of Sight** Quinn Loftis, 2019-09-25 To become a witch or not to become a witch That is the question At least that's the question Kara Heather and Stella three of the gypsy healers are facing The high fae ambassador Perizada the healers and a host of wolves are in a race against time to create the witch army that Volcan desires But they must also keep the gypsy healers beings of pure light and goodness from becoming evil in the process

Should be a piece of cake Meanwhile the werewolf males are fighting their innate hunger to mark their mates and finish the Blood Rites thereby keeping their own darkness at bay If they remain unbound a chink forms in the packs armor one that Volcan won't hesitate to exploit when he finds it
