EYLF Learning Outcomes:

Analysis Of Learning:

Through this experience I observed you Kelly have a strong sense of wellbeing and are a confident and involved learner. You work corroboratively with others and you made new discoveries.

The Learning Experience:

Over the past couple of days the children in the group have been identifying different colours within the environment so I wanted to extend on this experience by introducing a colour mixing experiment to each child. While outside today I set up the paint easel near the table along with 3 paint pots of yellow, blue and red. As I was setting up Kelly stood watching me. "I like painting, is it my turn to paint". Kelly called over to Roger "Hey, want to paint with me", Roger walked over to Kelly to where the easel was set up and picked up a paintbrush. He watched Kelly make a circle on the piece of paper in yellow paint. Roger dipped his paintbrush in the blue paint and traced around Kelly's circle. "Why did you do that" Kelly asked. Roger smiled "I made green" he commented. Kelly laughed "cool, I want to make more, you use blue and I use red" Kelly instructed.
