1955 It was a different and changing world of which we were privileged to be a part Almost all our relatives lived nearby and neighbors all knew us and didn't hesitate to let our parents know if we were up to any mischief We were expected to take responsibility work hard always be truthful stay out of trouble study hard and plant straight rows All are excellent traits that unfortunately are not as valued today as they were then In the book we have shared some history of the area and some stories of incidents from our lives that were not uncommon among farm families We hope readers enjoy learning about us and our families
