EBOOK: Essentials of Economics, 10/e SCHILLER, 2016-03-22 EBOOK Essentials of Economics 10 e *Essentials of Economics* Bradley R. Schiller, 2005 Essentials of Economics is the market leader for the one semester survey course In just about 400 pages it provides a solid introduction to the core concepts of economics with an emphasis on real world examples and current events Essentials has earned its popular success because unlike other books on the market it is free of the abstract and complex theory that require more time than this course allows Instead the text is clean and concise with many examples of significance to students today including Headlines and Policy Perspectives that use current events to help illustrate the topics discussed This real world policy emphasis is a distinctive feature of Schiller s text and is integral to its dominance of the survey text market *Loose-Leaf Essentials of Economics with Connect Access Card* Bradley Schiller, 2013-06-21 Schiller s Essentials of Economics is the market leader for the one semester survey course praised for its strong policy focus and core theme of seeking the best possible answers to the basic questions of WHAT HOW and FOR WHOM to produce The 9th edition is benefitted by SmartBook the first adaptive reading experience designed to engage students with the content in an active and dynamic way as opposed to the passive and linear reading experience they are used to As a result students are more likely to master and retain important concepts in the survey course As in previous editions students are confronted early on with the reality that the economy doesn t always operate optimally either at the macro or micro level and are encouraged to examine the policy challenge of finding the appropriate mix of market reliance and government regulation that generates the best possible outcomes In addition to the suite of resources available within Connect Economics over 100 key topics are reinforced with interesting and innovative videos on YouTube provided to help non majors see the relevance of economics *Loose Leaf Essentials of Economics with Connect Access Card* Bradley R. Schiller, 2016-01-22 Written specifically for the one semester survey of economics course Schiller s Essentials of Economics is known for seeking the best possible answers to the basic questions of WHAT HOW and FOR WHOM to produce As in earlier editions the tenth edition strives to arouse interest in economic theories by illustrating them in the context of actual institutions policy debates and global developments Built to provide interactive support for the introductory student Connect for the 10th edition features SmartBook s adaptive reading experience embedded with learning resources as well as guided examples featuring coauthor Karen Gebhardt among other resources [SmartBook Access Card for Essentials of Economics](#) Bradley Schiller, Karen Gebhardt, 2013-10-22 SmartBook™ is the first and only adaptive reading experience designed to change the way students read and learn It creates a personalized reading experience by highlighting the most impactful concepts a student needs to learn at that moment in time As a student engages with SmartBook the reading experience continuously adapts by highlighting content based on what the student knows and doesn t know This ensures that the focus is on the content he or she needs to learn while simultaneously promoting long term retention of material Use SmartBook s real

time reports to quickly identify the concepts that require more attention from individual students or the entire class

Essentials of Economics Bob Harmel,1993 **World Television** Joseph D. Straubhaar,2007-05-18 World Television
From Global to Local a new assessment of the interdependence of television across cultures and nations brings together the most current research and theories on the subject By examining recent developments in the world system of television as well as several theories of culture industry genre and audience author Joseph D Straubhaar offers new insights into the topic He argues that television is being simultaneously globalized regionalized nationalized and even localized with audiences engaging it at multiple levels of identity and interest therefore the book looks at all these levels of operation Key Features
Draws upon both international communication and cultural studies perspectives Presents a new model is presented that attempts to move beyond the current controversies about imperialism and globalization Looks at historical patterns
Historical patterns across cultures and countries help compare where television has been and where it is going Takes a contemporary focus Uses of technology flows and patterns of program development genres of television the interaction of producers and audiences and patterns of audience choice among emerging alternatives are examined Explores how the audience for these evolving forms of television is structured The effects of these forces or patterns of television have on both cultural formations and individual identities are identified Intended Audience This is an excellent text for advanced undergraduate and graduate courses in Globalization and Culture Global Media Television Studies Television Criticism and International Media Essentials of Economics Bradley R.
