It was not until four decades ago that the concept of business ethics was formally introduced and incorporated in business practices and school curriculums. Because of this, ethics in management is vital, not only for the organization, but for the society as a whole.

ETHICS AND MORALITY

These two concepts go hand in hand and are very crucial to the management while making certain decisions. Ethical behavior of management therefore refers to the behavior that has been accepted as good right as opposed to bad wrong.
