This book provides specific details to enable comprehensive understanding of the benefits and downsides of each trade and profession discussed. Selected accompanying documents further bring history to life by offering vivid testimonies from people who actually worked in these occupations or interacted with those in that field. **Understanding Case Study Research**

Malcolm Tight, 2017-01-26. Written in an accessible and jargon free style, this book provides a comprehensive student friendly guide to the nature and use of case study research. Whether as part of a more substantial study or as the foundation for a self contained smaller project, case studies provide viable and valuable alternatives to conducting large scale research. Grounded in both theory and practice, this book sets out not only the key debates and ethical issues surrounding case study research but also focuses specifically on the work of others and how you can understand use and write about secondary data as the basis for your own research project. With tips, examples and extensive discussion of real world case studies from a variety of social science and other disciplines, Tight illustrates the kinds of research to which case studies can be applied. Topics include: Types of case studies, Advantages and disadvantages to using case studies, The meaning and value of case study research, The use of case studies in different disciplines and research designs. Whether you want to know how to access and use the case studies of others or understand the methods behind conducting your own case study research, this book will take you through every step of the process. **Teaching the Sociology of Deviance** Martin D. Institute of Criminal Law and Criminology, 1923 **Federal Canadian Correctional Officer Training** Rosemary Ricciardelli, 2025-02-13. The volume uses an ethnographical approach to examine all three stages of the Correctional Services Canada's federal Correctional Officer Training Program offered for recruited individuals. It presents how officers are socialized, trained and prepared or not prepared through training. This volume reveals the content and context of the training program, the role of values and ethics, the socialization process, the co response model, the challenges of discretion, the gendered space and the lessons of training. The ethnographic data is based on full immersion in uniform living in dorm but also includes thematic analysis of content, field notes and reflection. It features recommendations of international value for correctional officer training and identifies context and content needs. This monograph is ideal for graduate students and researchers interested in correctional services, officer training and prison society. **UPTET Paper 2 Exam : Social Studies |**
