The following paper is an example research paper which you can use as a model for your research paper. Your paper should include more details and go more in-depth about your topic, but this paper shows the general outline you should follow. Pay attention to the facts that are cited using in-text citations. Remember to put information that is word-for-word in quotes. Ideas that are from an author but put into your words also need to be cited but not put in quotes. Please remember you can always ask Miss Maze for assistance!
