## **Foundations Of International Migration Law Hardback:**

**Foundations of International Migration Law** Brian Opeskin, Richard Perruchoud, Jillyanne Redpath-Cross, 2012-09-27 A stimulating survey of the key themes in international migration law     Foundations of International Migration Law Brian Opeskin, Richard Perruchoud, Jillyanne Redpath-Cross, 2012     Foundations of International Migration Law Associate Professor in the Faculty of Law Brian Opeskin, Brian R. Opeskin, Richard Perruchoud, Jillyanne Redpath-Cross, 2012 A stimulating survey of the key themes in international migration law     Humanity at Sea Itamar Mann, 2016-09-29 This book integrates legal historical and philosophical materials to illuminate the migration topic and to provide a novel theory of human rights     **Fragmented State Power and Forced Migration** Eeva Nykänen, 2012-06-14 The relative decline of state power and the increase in the significance of various non state actors is one of the greatest challenges faced by the legal framework for the international protection of refugees and other forced migrants over previous decades A large number of asylum seekers applying for protection in Europe and other industrialized states originate from countries where the state structure is weak if not non existent and where the threats faced by individuals stem primarily from actors other than the state authorities The legal framework for international protection which rests on a state centric paradigm is struggling with claims for protection arising from such situations Drawing extensively on international and European law international and national case law as well as academic writings this study analyzes the legal obligations that states have towards refugees and other forced migrants facing threats emanating from non state actors exploring the transformative possibilities embedded in the law in this respect     **Congressional Record** United States. Congress, 2009 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873     Congressional Record , 2009-07-07 The Congressional Record contains the proceedings and debates of each Congressional session in the House of Representatives and the Senate Arranged in calendar order each volume includes the exact text of everything that was said and includes members remarks     Interights Bulletin , 1985     *Law Books Published* , 1992     **The Europeanization of Citizenship** Fiorella Dell'Olio, 2017-05-15 The connection between immigration and citizenship in Europe is an increasingly important issue This timely and informative book investigates three main aspects of the issue the degree to which European citizenship encourages the development of a European identity the impact of European citizenship at the nation state level in Italy and the UK in regard to domestic policy making in the areas of immigration and citizenship and what is needed to make a supranational citizenship work in practice Fiorella Dell'Olio examines changes in laws on citizenship nationality and immigration in Italy and the UK and assesses the relationship between the political conceptualization of European citizenship and the public response as revealed by opinion

polls She argues that the establishment of a European citizenship has reinforced the ideology of nationality in both Italy and the UK and that it consequently has failed to forge a European identity

**Migrants Before the Law** Tobias G. Eule, Lisa Marie Borrelli, Annika Lindberg, Anna Wyss, 2018-11-19 This book traces the practices of migration control and its contestation in the European migration regime in times of intense politicization The collaboratively written work brings together the perspectives of state agents NGOs migrants with precarious legal status and their support networks collected through multi sited fieldwork in eight European states Austria Denmark Germany Italy Latvia Lithuania Sweden and Switzerland The book provides knowledge of how European migration law is implemented used and challenged by different actors and of how it lends and constrains power over migrants journeys and prospects An ethnography of law in action the book contributes to socio legal scholarship on migration control at the margins of the state This book is a major achievement A remarkable and insightful study that through close analysis of the practices of migration control in 8 European countries Austria Denmark Germany Italy Latvia Lithuania Sweden and Switzerland provides powerful new insight into the power of the state at its margins and over those that are marginalised Andrew Geddes Director Migration Policy Centre European University Institute Migrants Before the Law provides a much needed account of the dizzying legal labyrinth that migrants navigate as they seek to survive in Europe Based on multi sited ethnography in detention centres migration offices police stations and non governmental organizations as well as on interviews with key government actors advocates and migrants themselves this book explores the systems of control and forms of migrant precarity that operate along Europe s internal borders in multiple national and transnational contexts Readers will come away with a deepened understanding of the perverse workings of power the ways that the uncertainty and unpredictability of law foster both despair and hope the degree to which the immigration crisis is both manufactured and experienced as real and the ingenuity of migrants themselves in the face of Kafkaesque state practices Susan Bibler Coutin Professor of Criminology Law and Society and Anthropology University of California Irvine USA Migrants Before the Law is an excellent exposition of the dispersed sites of the law and the hinges and junctions through which this apparatus is actualized in the lives of migrants facing deportation contesting their status as illegal migrants or seeking to regularize their precarious position Written with great sensitivity and an eye to minute details this book is also an achievement in furthering the method of collaborative ethnography and new ways of staging comparisons Veena Das Krieger Eisenhower Professor of Anthropology Johns Hopkins University USA
