MathWise Fractions, Book 2, with Answer Key, 2016-07-14 MathWise books are unlike any of the other math workbooks available for students. Most math textbooks and workbooks have a mini lecture at the beginning of each lesson and then have pages of problems. Students often get impatient with the explanations and have difficulty knowing how to proceed to work the problems. The format looks dry and boring and students lose interest. MathWise books communicate with students as they work through the book. The answer boxes teach good technique, neatness, and organization. Students are guided through the steps in a fun, friendly way with speech bubbles giving hints and explanations. MathWise books emphasize deeper level understanding of the material, how and why math works the way it does. The key is Understand more, memorize less. MathWise books all work together to ensure the development of strong number sense and mathematical thinking. MathWise Fractions Book 2 covers LCM, adding, subtracting with unlike denominators, fraction division, multiplying, dividing, mixed numbers, ordering fractions, and fraction regrouping. Advanced enrichment material is included as an appendix. This book is appropriate for enrichment, pre-teaching, review, or as a refresher for an older student who needs to review fraction basics.
