different scholarly contexts that address a diverse range of focused topics as well as empirical and conceptual perspectives on research with international studies Some chapters focus on technical aspects exploring opportunities for drawing causal inferences from the data and investigating biases originating in distributional scale properties Others are of a more conceptual nature addressing changes in the relevance of socio economic indicators across time and countries examining the exposure of mother tongue and English instruction on performance and investigating the effects of test construction on gender difference The discussion takes a much needed meta perspective on the usefulness of international large scale assessments for educational research and allows reflection upon possibilities and opportunities for their improvement This book was originally published as a special issue of Assessment in Education

**Teaching Learners with Visual Impairment** Maximus M. Sefotho, Ronél Ferreira, 2020-12-31 This book Teaching Learners with Visual Impairment focuses on holistic support to learners with visual impairment in and beyond the classroom and school context Special attention is given to classroom practice learning support curriculum differentiation and assessment practices to mention but a few areas of focus covered in the book In this manner this book makes a significant contribution to the existing body of knowledge on the implementation of inclusive education policy with learners affected by visual impairment

**Resources in Education**, 1999 *Unlocking English Learners' Potential* Diane Staehr Fenner, Sydney Snyder, 2017-04-18 Schools are not intentionally equitable places for English learners to achieve but they could be if the right system of support were put in place Diane Staehr Fenner and Sydney Snyder recommend just such a system Not only does it have significant potential for providing fuller access to the core curriculum it also provides a path for teachers to travel as they navigate the individual needs of students and support their learning journeys Douglas Fisher Coauthor of Visible Learning for Literacy A once in a generation text for assisting a new generation of students Content teachers and ESOL teachers take special note if you're looking for a single resource to help your English learners meet the same challenging content standards as their English proficient peers your search is complete Just dip into this toolbox of strategies examples templates and activities from EL authorities Diane Staehr Fenner and Sydney Snyder The best part Unlocking English Learners Potential supports teachers across all levels of experience The question is not if English learners can succeed in today's more rigorous classrooms but how Unlocking English Learners Potential is all about the how How to scaffold ELs instruction across content and grade levels How to promote ELs oral language development and academic language How to help ELs analyze text through close reading and text dependent questions How to build ELs background knowledge How to design and use formative assessment with ELs Along the way you'll build the collaboration advocacy and leadership skills that we all need if we're to fully support our English learners After all any one of us with at least one student acquiring English is now a teacher of ELs

English-Medium Instruction and Translanguaging BethAnne Paulsrud, Zhongfeng Tian, Jeanette Toth, 2021-01-20 This book offers a critical exploration of definitions methodologies and ideologies of English medium instruction EMI contributing

to new understandings of translanguaging as theory and pedagogy across diverse contexts It brings together a number of conceptual and empirical studies on translanguaging in EMI at different educational levels in a variety of countries with different approaches to translanguaging different named languages and different policies These studies include several underrepresented contexts across the globe providing a broad view of how translanguaging in EMI is understood in these educational settings Furthermore this book addresses the complexities of translanguaging through a discussion of the affordances and constraints associated with the use of multiple linguistic resources in the EMI classroom Questions and answers for the classroom Gr 4-7 Marieta Nel,Fayrooz Naker,Gillian Bahlmann,Hester Naute,Evelyn Moodley,Joyce
