most parents when Shelly Wildman had children she consulted books sermons and lectures on how to raise the best children possible Yet every resource focused on how to get external results children who behave the way others expected them to For Shelly and her husband the turning point happened when they started asking why instead shifting their focus to internal change That s when their purpose as parents became clear parents are called to do their best to show kids how to know and love Jesus to love others and to make a difference in the world There are no rules here no inflexible series of steps that lead to perfect parenting Instead Shelly encourages parents to think about their unique family and why each child s needs for spiritual growth might look different She walks you through intentional questioning focusing on building a firm foundation for lasting discipleship And in the end you ll discover that God wants the same outcome you do a child who knows Christ intimately loves him deeply and has a heart to serve him fully *Sharing Your Faith and Serving Others: Junior High Group Study* Kara Powell,2011-05-17 Effectively encourage your insecure junior high students to know who they are and where they fit to grow from bashful to bold *Sharing Your Faith and Serving Others* Uncommon Junior High Group Study has everything leaders need to inspire reluctant younger teens and give them the tools they need to feel armed dangerous and overflowing with love for God and neighbor Students will learn about the Great Commission the Great Commandment about missions at home world missions and their place in God s work of redemption and reconciliation Through 12 flexible sessions of Bible study adaptable for groups of any size junior highers will discover that sharing Jesus and serving others are two sides of the same coin And the hands on kid friendly activities and service projects will help youth leaders create unforgettable group experiences that shape hearts and minds **Omnirelevance** Mark Hodges,2020-03-18 Why are advertisers better at getting a product message out than churches are with a message that matters Too many churches are in a time capsule their message being caught in a temporal loop and completely irrelevant to today s audience For those who desire to have an even greater impact on society and fulfill the Great Commission *Omnirelevance* is an essential field guide to connecting the timeless word of hope to a changing culture and breaking a pattern of irrelevance **Parables of the Great Commission** Ruth Tucker,1989 **Follow Me As I Follow Christ** Cheryl Dunlop,2000-08-01 Many children s teaching programs resemble carnivals instead of productive environments where a child can learn about Jesus Christ This is often the result of having untrained teachers teaching Sunday school Experienced Sunday school teacher Cheryl Dunlop fills this void by providing a practical teaching manual designed to ensure all those teaching Sunday school are equipped and motivated to do their best for the Lord *Follow Me as I Follow Christ* explores issues like how to tell a story methods of effective discipline and interacting with individual needs of children Divided into 52 weekly entries it is designed to be read along with and help in teachers class preparation *Love Is the Answer* Janet D.
