 The 1990s were a decade of change in the way that the business of food  
 has been done. The industry has seen a number of changes, including the  
 rise of fast-food chains, the growth of organic food, and the increasing  
 importance of food safety. The industry has also seen a number of  
 challenges, including the rise of food terrorism and the increasing  
 cost of food. The industry is expected to continue to grow in the  
 future, but it will face many challenges along the way.
