discovers she is a rare gypsy healer potentially the key to his plan's success. An unexpected bond forms between the pair, a forbidden connection between light and darkness. Their relationship is further complicated when Alice is attacked by a rogue vampire, Claude. In a desperate bid to save her, Cain gives Alice his blood, transforming her into something. But Alice's pure soul violently rejects the king's vampiric blood, throwing her life into grave peril. Enter Perizada, the fae protector of all gypsy healers. Peri learns that Alice's salvation lies with her true mate, Maxim, a rogue werewolf. The wolf determined to rescue Alice, joins forces with Fane Lupei, the Alpha of alphas. Meanwhile, Alice, held captive and battling internal turmoil, believes there's goodness in Cain and strives to unearth it. But Cain is resolute in keeping Alice his prisoner regardless of the consequences. A new alliance of wolves and healers must find a way to sever Cain's deadly bond with Alice without killing her and thwart the vampire's plans to unleash an unstoppable hybrid army, a threat stronger than any the wolves have ever faced.

*Piercing Silence* Quinn Loftis, 2015-06-12 It's been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again. Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack. Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun. When she isn't complaining about that, she spends her time commenting on how Jacque's butt is getting wider by the minute. Jacque doesn't know it, but the reprieve was about to be over. She and Fane thought his demons had been dealt with, but the nightmares are back and the In Between is once again ripping a hole inside of her mate. Jacque can't stand to see him hurting. She can't stand knowing that in some way she was responsible for his struggle because she, after all, was the subject of his pain from the In Between. She'll do anything to stop his turmoil. So she makes a desperate decision to do what she thinks her mate needs or doesn't need. Others will call it insane. Jen will add her own creative descriptions including expletives thrown in for added effect. Whatever you call it, Jacque calls it an answer to the darkness that is slowly consuming her mate. She knows that if Fane has any idea of what she has planned, he would chain her to his side. So naturally, she does what any female Canis lupus would do in her shoes: she shuts down the bond and prays that no one gets in her way. She knows he might never forgive her, but then if her plan works, he won't even remember her name. **The Alpha (Black Arrowhead Series: Book 2)**
