Cherian, 2021-01-11 It is the biggest question of all in the universe when and from what universe came into being and how it  
expanded It puzzled Einstein and many other cosmologist after him Finally they have discovered the particle which they  
mysteriously named the God particle As the mystery surrounds this particle their quest will either end in finding God the  
source of the particle or not In an age when biblical truth are considered fairytales by many a scientists someone must be  
bold enough to tell the truth that in the beginning the universe was void and darkness prevailed in the entire cosmos until  
God separated darkness by his eternal light and used 5 percent of the dark matter to create the universe and everything  
within it Dr Cherian courageously links the Scriptures and the science behind the dark matter and the scientists who were  
divinely guided to name it the God particle Newton s and Einstein s dreams have been materialized and though not accepted  
by the vast majority of scientists openly many are compromising that universe formed from a cosmic evolution and life  
evolved abiogenetically and God interjected his presence into the process of evolution to claim his role a most absurd stand  
While the latest scientific discoveries tackled the biggest mystery of the universe scientific discoveries have corroborated the  
truth man humanity is nothing but specks of the dust Ps 103 14 While God who created the universe sits enthroned above the  
circle of the earth and stretches out expanse the heavens like a canopy and spreads them out like a tent Isa 40 22 is also  
holding the universe in his hands Dr Cherian brings to light the neglected truth that science and theology are the perfect  
match of God s truth in the universe Most of the scientific discoveries deciphered during the last five hundred years are  
recorded in the Bible including water in the exoplanets and the dark matter and dark energy that have been discovered  
recently The author has succinctly explained with specific biblical references and explanations The author also reveals that  
from Plymouth Rock to Independence Hall and throughout the length and breadth of America the profound Christian heritage  
is engrained in every inch of the land and America cannot negate God from our land God s systematic order of creation was  
schemed as stages of unguided evolution All Christians of the nation must reinvent the declaration by the Supreme Court of  
the United States in 1892 that This a Christian Nation and present day lawmakers must adhere to that with freedom and  
liberty for all Like a skilled attorney the author explains America is part of the Israel of God and a member of the

Commonwealth of Israel as explained by Apostle Paul The United States of America and the United Kingdom are two nations blessed by God under the protection of the Almighty God and we have a moral mandate to preserve our godly culture and civilization and lead other nations to follow before Armageddon which is imminent      **The Publishers' Trade List Annual**,1887      **Respiratory Care** ,1995      *Humanities* ,1970      **Humanities** National Endowment for the Humanities,1969      **Current History and Forum ...** ,1928      *Catalog of Copyright Entries.
