Hot Phoenix Nights:

Weekly Weather and Crop Bulletin, 1948 Final yearly issue includes index of special articles December through March issues contain reports of snow and ice conditions **The Expendable Man** Dorothy B. Hughes, 2012-07-03 It was surprising what old experiences remembered could do to a presumably educated civilized man And Hugh Denismore a young doctor driving his mother's Cadillac from Los Angeles to Phoenix is eminently educated and civilized He is privileged would seem to have the world at his feet even Then why does the sight of a few redneck teenagers disconcert him Why is he reluctant to pick up a disheveled girl hitchhiking along the desert highway And why is he the first person the police suspect when she is found dead in Arizona a few days later Dorothy B Hughes ranks with Raymond Chandler and Patricia Highsmith as a master of mid century noir In books like *In a Lonely Place* and *Ride the Pink Horse* she exposed a seething discontent underneath the veneer of twentieth century prosperity With *The Expendable Man* first published in 1963 Hughes upends the conventions of the wrong man narrative to deliver a story that engages readers even as it implicates them in the greatest of all American crimes *Weekly Weather & Crop Bulletin*, Final yearly issue includes index of special articles December through March issues contain reports of snow and ice conditions **My Lifey** Paddy McGuinness, 2021-10-28 Get the kettle on the biscuits out and settle in for a belting read Let Paddy McGuinness take you back far far away from celebrity land to a two up two down terrace in 1970s Bolton where he grew up They were happy times but money was tight Paddy slept on a mattress he dragged in from the street and at 17 he struggled severely with the stress of juggling a college course and two jobs to support his beloved mum But while cash may have been short grit and wit were in over supply and this is the improbable true story of the lad who went from kipping in abandoned cars in Bolton to racing supercars on *Top Gear* via laying concrete floors in prisons a lively career in a leisure centre a showbiz intervention by school pal Peter Kay and eye popping adventures in the world of teledom There has been mischief and misadventure joy and sorry huge success and unexpected challenges It's a lifey well lived and an unforgettable personal memoir written from the heart *Best of the Britcoms* Garry Berman, 2011-02-16 With crisp dialog outrageous characters and an absurd sense of humor it's no wonder British sitcoms are so well loved *Best of the Britcoms* covers the most noteworthy situation comedies ever to cross the pond Each entry combines a show summary with descriptions of standout episodes and behind the scenes details plus gives you production data and full cast listings And now the revised edition of this Britcom classic contains seven new chapters on programs that have aired in the U S since the original edition was published such as *The Office* *Extras* and *My Family* Fans of old school Britcoms won't be disappointed either as the revised edition also includes the later developments of older series storylines and detailed information on specials and cast reunions that have occurred in the intervening years Pick up this book kick back and get to know a Britcom **Murder for Mayor** Andie Peterson, 2010-06-30 A woman hiking the shoreline of Lake Superior fears she's having a heart attack and gives an exquisite necklace to a good Samaritan who comes to her aid

Don't tell a soul she warns except Molly Berg. When the woman is brutally murdered the young female hiker becomes a target for death and must run for her life. Why would someone kill a loving grandmother on a beautiful summer day? How does that crime connect to the New Year's Day disappearance of the woman who designed the necklace? What about the designer's husband who vanished the same day? And how does it all link to a 1984 murder in Minnesota's Scott County? When Laura Kjelstad begins connecting the dots of the crimes she becomes the next target. The necklace leads her to Sedona, Arizona, where she uncovers dark secrets and corruption on a global level. Only a handful of people know that she's gone to Arizona, but a friend who accompanied her is kidnapped in Prescott and is terrorized on a harrowing trip down the mountain to Camp Verde. Someone knows the answers and has turned his sights on Laura. A young widow, Laura is the first woman mayor of a small town in northern Minnesota. In the midst of a blistering reelection campaign, her opponents deal in hostility, misinformation, and outright lies. Her rival calls out the Internet trolls to defeat her, but Laura learned from her Norwegian grandparents how to deal with trolls. Peterson deftly handles both pacing and plotting and ties the subplots together superbly. The reader is rewarded with a genuine understanding of the strongly drawn characters and gains insights into the real life of small town politics in all its decency and ugliness. The book is balanced with a bit of romance and gentle humor that enriches the novel.

Life After Kes Simon W. Golding, 2014-10-29. *Life After Kes* examines the history and legacy of the 1969 award-winning British film *Kes* about a boy's Billy Casper relationship with a kestrel. This fascinating book not only pays homage to the vision and extraordinary talent involved both in front and behind the camera but also looks at subsequent changes in the educational system posing some important questions: Are we any better off today? Have schools and teaching staff moved forward over the last few decades? Have successive governments learnt anything from the mistakes of the past? *Life After Kes* explores the lives of the cast and production team since the making of the film, including David Dai Bradley who played the lead role, and examines why the legacy of Billy Casper and the national perception of *Kes* cast a shadow over South Yorkshire. Does Casper's ghost still haunt this ex-mining community and is director Ken Loach's gritty northern drama as relevant today as it was then? This book is a must-have for all film fans, anyone who enjoyed *Kes*, and all those with an interest in British social history.

Crime Novels: Five Classic Thrillers 1961-1964 (LOA #370) Fredric Brown, Dan J. Marlowe, Dorothy B. Hughes, Richard Stark, 2023-09-12

In the 1960s the masters of crime fiction expanded the genre's literary and psychological possibilities with audacious new themes forms and subject matter here are five of their finest works This is the first of two volumes gathering the best American crime fiction of the 1960s nine novels of astonishing variety and inventiveness that pulse with the energies of that turbulent transformative decade

In *The Murderers* 1961 by Fredric Brown an out of work actor hanging out with Beat drifters on the fringes of Hollywood concocts a murder scheme that devolves into nightmare This late work by a master in many genres is one of his darkest and most ingenious

Dan J Marlowe's *The Name of the Game Is Death* 1962 channels the inner life of a violent criminal who freely acknowledges the truth of a prison psychiatrist's diagnosis Your values are not civilized values Written with unnerving emotional authenticity the story hurtles toward an annihilating climax

Charles Williams drew on his experience in the merchant marine for his thriller *Dead Calm* 1963 A newlywed couple alone on a small yacht find themselves at the mercy of the mysterious survivor they have rescued from a sinking ship in a suspenseful story that chillingly evokes the perils of the open ocean

In the beautifully told and sharply observant *The Expendable Man* 1963 Dorothy B Hughes's final masterpiece of suspense a young man in the American Southwest runs afoul of racial assumptions after he picks up a hitchhiker who soon turns up dead

In twenty four brilliantly constructed novels Richard Stark a pen name of Donald Westlake charted the career of Parker a hard nosed professional thief with rigorous clarity

The Score 1964 a stand out in the series finds Parker and his criminal associates hatching a plot to rob simultaneously all the jewelry stores payroll offices and banks in a remote Western mining town only to come up against the human limits of even the most intricate planning

Volume features include an introduction by editor Geoffrey O'Brien

Hardboiled America newly researched biographies of the writers and helpful notes and an essay on textual selection
