Brandjack Q. Langley, 2016-04-30 Containing 90 case studies including BP, Beyoncé, Pizza Hut and Chrysler this is the first book to analyze brandjacking when organizations lose control of their brand's image online. Combining crisis communication and social media, this book charts the trends, growth, offering advice to those who find themselves at the mercy of brand pirates.

Managing Innovation and New Product Development CHATURVEDI, MUKESH, KUMAR, ASEEM, RAHUL, MANMOHAN, 2009-04-13 Innovation is the key to success in any business and is the only way to surpass competition. An innovative concept can lead to the development of a new product. This comprehensive book explains how an innovative idea or a concept if executed properly can create the best product in the market. The book presents a framework for a new product development laying emphasis on generic concepts and processes which are useful and profitable for small and large organizations including the multinationals. The book highlights the innovation theories that are helping service sector companies to prosper and excel in their fields. It also provides a mathematical formula for students to calculate sales estimation of first time sales of a new product. The Ten Case Studies on real life products from the Indian market enrich the text and enable students to fully understand innovative techniques that help increase the potential and market value of an established product. Key Features: Gives a number of examples to illustrate the concepts discussed in the text. Incorporates several illustrative figures, tables and boxes to make the learning process more accessible. Provides well graded chapter end exercises to test students.

Advances in Understanding Human Performance Tadeusz Marek, Waldemar Karwowski, Valerie Rice, 2010-06-21 Combining emerging concepts, theories and applications of human factors knowledge, this volume focuses on discovery and understanding of human performance issues in complex systems including recent advances in neural basis of human behavior at work, i.e. neuroergonomics, training and universal design. The book is organized into ten sections that

Gender and Consumption Lydia Martens, Emma Casey, 2016-04-15 Drawing upon anthropological, sociological and historical perspectives, this volume provides a unique insight into women's domestic consumption. The contributors argue that domestic consumption represents an important lens through which to examine the everyday production and reproduction of socio-economic relations. Through a variety of case studies such as gambling, wedding day consumption and bedroom decor, the essays explore and reconsider the nature of

public and private spaces and the subsequent nature of domestic space often by challenging traditional notions of what constitutes the domestic The volume demonstrates the broad range of experiences that domestic consumption offers women and reveals some of the complex meanings and motivations underpinning women s consumption practices **Automotive Industries, the Automobile** ,1919 Scanner Data and Price Indexes Robert C. Feenstra,Matthew D. Shapiro,2007-11-01 Every time you buy a can of tuna or a new television its bar code is scanned to record its price and other information These scanner data offer a number of attractive features for economists and statisticians because they are collected continuously are available quickly and record prices for all items sold not just a statistical sample But scanner data also present a number of difficulties for current statistical systems Scanner Data and Price Indexes assesses both the promise and the challenges of using scanner data to produce economic statistics Three papers present the results of work in progress at statistical agencies in the U S United Kingdom and Canada including a project at the U S Bureau of Labor Statistics to investigate the feasibility of incorporating scanner data into the monthly Consumer Price Index Other papers demonstrate the enormous potential of using scanner data to test economic theories and estimate the parameters of economic models and provide solutions for some of the problems that arise when using scanner data such as dealing with missing data *Secondhand Time* Svetlana Alexievich,2016-05-24 NEW YORK TIMES BESTSELLER A symphonic oral history about the disintegration of the Soviet Union and the emergence of a new Russia from Svetlana Alexievich winner of the Nobel Prize in Literature NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND PUBLISHERS WEEKLY LOS ANGELES TIMES BOOK PRIZE WINNER One of the New York Times s 100 Best Books of the 21st Century When the Swedish Academy awarded Svetlana Alexievich the Nobel Prize it cited her for inventing a new kind of literary genre describing her work as a history of emotions a history of the soul Alexievich s distinctive documentary style combining extended individual monologues with a collage of voices records the stories of ordinary women and men who are rarely given the opportunity to speak whose experiences are often lost in the official histories of the nation In *Secondhand Time* Alexievich chronicles the demise of communism Everyday Russian citizens recount the past thirty years showing us what life was like during the fall of the Soviet Union and what it s like to live in the new Russia left in its wake Through interviews spanning 1991 to 2012 Alexievich takes us behind the propaganda and contrived media accounts giving us a panoramic portrait of contemporary Russia and Russians who still carry memories of oppression terror famine massacres but also of pride in their country hope for the future and a belief that everyone was working and fighting together to bring about a utopia Here is an account of life in the aftermath of an idea so powerful it once dominated a third of the world A magnificent tapestry of the sorrows and triumphs of the human spirit woven by a master *Secondhand Time* tells the stories that together make up the true history of a nation Through the voices of those who confided in her *The Nation* writes Alexievich tells us about human nature about our dreams our choices about good and evil in a word about ourselves A BEST BOOK OF THE YEAR The New York Times The

Boston Globe The Wall Street Journal NPR Financial Times Kirkus Reviews *Reinventing Giants* Bill Fischer, Umberto Lago, Fang Liu, 2013-03-07 A compelling profile of an emerging Chinese competitor Chinese firms are reinventing their business models their corporate cultures and themselves becoming global competitors who increasingly offer knowledge rather than cheap labour in their quest to join the ranks of the world's best companies This book offers a compelling profile of the most ambitious of these emerging Chinese competitors the Haier Corporation the world's largest manufacturer of home appliances and shares insights on how one organization has repeatedly reinvented its business model and corporate culture in an effort to sustain its success *Reinventing Giants* provides an exclusive look within the Haier Corporation and shows how managerial accountability and responsibility have been repositioned at every level of the organization with the core value of market centricity while aligning strategy on each level of management It includes actual work reports that show this process in detail from the ground up The authors emphasize how a belief in the liberation of employee talent has consistently been the driving force underlying Haier's success Includes the remarkable story of Haier's turnaround and how these lessons can be applied to other organizations Contains information for any company grappling with competition in the global marketplace Shows how to liberate employees' talent to drive business success Written by Bill Fischer Professor of Innovation Management at IMD in Switzerland Umberto Lago Professor of Management at Bologna University Italy and Fang Liu Research Associate of IMD *Reinventing Giants* helps global managers rethink their own business models and accompanying corporate cultures in order to be able to apply Haier's lessons directly to their own organizations

Rethinking Class in Russia Dr Suvi Salmenniemi, 2013-01-28 Social differentiation poverty and the emergence of the newly rich occasioned by the collapse of the Soviet Union have seldom been analysed from a class perspective *Rethinking Class in Russia* addresses this absence by exploring the manner in which class positions are constructed and negotiated in the new Russia Bringing an ethnographic and cultural studies approach to the topic this book demonstrates that class is a central axis along which power and inequality are organized in Russia revealing how symbolic cultural and emotional dimensions are deeply intertwined with economic and material inequalities Thematically arranged and presenting the latest empirical research this interdisciplinary volume brings together work from both Western and Russian scholars on a range of spheres and practices including popular culture politics social policy consumption education work family and everyday life By engaging with discussions in new class analysis and by highlighting how the logic of global neoliberal capitalism is appropriated and negotiated vis-à-vis the Soviet hierarchies of value and worth this book offers a multifaceted and carefully contextualized picture of class relations and identities in contemporary Russia and makes a contribution to the theorisation of class and inequality in a post Cold War era As such it will appeal to those with interests in sociology anthropology geography political science gender studies Russian and Eastern European studies and media and cultural studies
