NO POT, NO WINDOW Or ?How I Changed My Life from Sour Lemons to Sweet Lemonade? Mary Burton King,2010-05-24 No Pot No Window is a true story about my life starting in the year 1951 when I was born in Marshall Texas to poor uneducated parents This book is intended to be a motivator and inspiration to all the people struggling to survive financially as I did for the majority of my life The expression no pot no window means you are so poor that you don t have a pot to pee in or a window to throw it out I believe poverty lack of education a negative home environment alcohol and or drug abuse bad judgment a single parent home disease illness and sometimes just plain bad luck keeps the syndrome of no pot no window perpetuating generation after generation My abusive alcoholic father abandoned my two sisters and me when I was nine years old and my codependent mother was absent from my life for many years After my father left and my parents divorced my mother spent the rest of her life looking for another husband to support her She was married nine times and never did find her Prince Charming just another drunk she met at a bar and dragged home When I was ten years old my mother sent my two sisters and me to live with her parents for over three years and during this period she was completely absent from our lives My maternal grandparents who were survivors of the Great Depression of 1929 were very tight with their money and affection They really did not want to raise three young children but decided we would be a valuable asset as farmhands on their five acre farm My mother came back into my life when I was thirteen years old and the saga of stepfathers began At the age of sixteen I had a job a car and was self sufficient Unfortunately I was also a juvenile delinquent because I had little or no parental supervision For lack of any other options I joined the military in 1969 during the height of the Vietnam War and began the long journey of becoming an adult Due to my immaturity and poor judgment I was married and divorced three times before the age of thirty and became a single parent to my only child When I was thirty two years old I was diagnosed with Stage II breast cancer and spent the next five years struggling to stay alive physically and financially With the assistance of the military I was able to obtain my bachelor of arts degree from the University of Mississippi in 1982 and a

masters of forensic science from George Washington University in 1986 After twenty one years of active duty service I subsequently retired as a lieutenant from the United States Navy in 1993 I refused to accept and was able to overcome the no pot no window plight because of my perseverance hard work and most importantly advanced education I changed my life from sour lemons to sweet lemonade *Highlander Heats Up* Laureen Hanley,2013 Monica and her friends were just trying to salvage a weekend gone wrong when her friends Lily and Terrie disappeared into the unknown Now on a mission to save her two best friends Monica must decide on whether she wants to assume the role of wallflower again or become the strong woman she needs to be to save her friends and herself Leaving behind everything she has ever known she steps forth into a strange land and embarks on an adventure that even Monica never dreamed of She must learn to trust herself as well as the people around her or face the disappointment of being alone Finding her friends is one of the many struggles that Monica must face but not the hardest as she comes face to face with a highland warrior named Lucas Lucas a spoiled first son will one day take over leadership of his clan First he must find a wife but one escapade after another has produced nothing more than a long line of jealous woman About to fall victim to an arranged marriage Lucas is drawn to Monica For the first time in his life he feels that there could be something more with this girl than just another passing intrigue With the odds stacked against them will each be able to put their issues aside and become one or will the ever growing need to please be more than each had ever anticipated Will each of them be able to stand up for what they believe is right or fall prey to the circumstances which are out of both their control *A Map of the Sky* Claire Wong,2019-09-20 A lovely story of trying to understand the big wide world through a child s eyes A Map of the Sky is so well written it made me feel young again It captures the beauty and drama of the North Yorkshire coast as though you are there allowing you to escape the hurry of modern life Highly recommended CL Smith author of the Kadogos trilogy Kit doesn t understand why his family has been uprooted to a remote coastal village in the North Why did they leave so suddenly and why has his Dad not joined them At Askfeld Farm Guesthouse he meets an eclectic group of new neighbours and forms an unlikely friendship with Beth who suffers from a chronic illness he does not understand Kit learns that Beth who cannot leave the guesthouse is trying to draw a map from memory that shows all her favourite childhood haunts Kit makes it his quest to help her remember by visiting places for her and hopes to solve the problems of the other guests along the way But becoming a hero like the ones in his favourite books is trickier than it seems Can Kit work out that the person who really needs his help is much closer to home
