

Reliability Demands a Professional Installation

Structured wiring is the infrastructure that distributes information to and from electronics such as your home entertainment system, telephone, computer, security system, automation system and more throughout your home.

In today's broadband world, it's more important than ever to ensure that all audio, video and data cables are correctly run, terminated and tested in a way that conforms to TIA 570 standards.

With an Indigo Home Technologies Structured Wiring System, you can be sure you're getting an installation that conforms to the TIA 570-B standards and is backed by Leviton's 20 Year Extended Warranty.* Indigo installers carry certification by CEDIA and Leviton and spend hours per month on continuing education. Simply put, we love this stuff!
