Individual Development Planning in the VA United States. Veterans Administration,1981      **Western-Pacific Region**  
**Individual Development Plan (IDP) Program** United States. Federal Aviation Administration. Western-Pacific  
Region,1986      Individual Development Planning ,      *Effective Succession Planning* William Rothwell,2010-04-21 William  
Rothwell honored with the ASTD Distinguished Contribution Award in Workplace Learning and Performance The definitive  
guide to a timely and timeless topic now fully revised and updated As baby boomers continue to retire en masse from  
executive suites managerial offices and specialized or technical jobs the question is who will take their places This loss of  
valuable institutional memory has made it apparent that no organization can afford to be without a strong succession  
program Now in its fourth edition *Effective Succession Planning* provides the tools organizations need to establish revitalize  
or revise their own succession planning and management SP management vs technical succession planning and ethics and  
conduct and new chapters on integrating recruitment and retention strategies with succession planning programs This  
edition incorporates the results of two extensive new surveys and includes a Quick Start guide to help begin immediate  
implementation as well as a CD ROM packed with assessments checklists customizable guides and other practical tools

**How Managers Can Develop Managers** Alan Mumford,1993 Emphasizes learning from experience at work through the  
demands of the job from problems and opportunities from bosses mentors and colleagues      Suggestions for Individual  
Development Planning Executive Manpower Management Technical Assistance Center,1973      *Succession Management the  
"How To" Puzzle—Solved!* Mark Caruso,2014-03-18 Organizations have risk management strategies and procedures in place  
for disaster recovery for employee safety for computer system outages and more But not all organizations have an active  
succession planning strategy in place which is a risk management plan for the key talent in the organization But consider  
thishow much would it benefit your organization to predict leadership openings using data and discussions in the same way  
that you predict other business risks How much would it reduce your external recruiting costs to address future leadership  
gaps by proactively developing your top talent with a sense of urgency to avoid or to lessen the negative impact of a  
predicted leadership opening when it arrives The truth is that eventually each employee will leave the organization Therefore  
the risk management function of succession planning is the most critical risk management function for organizational success  
Effective succession planning is a process of fitting together the puzzle pieces of organizational talent needs and employee  
career interests for the purpose of identifying retaining and developing talent for business success This book provides the  
strategy and the puzzle pieces you will need to plan and to implement an active and effective succession program for your  
organization Succession management expert Mark Caruso has created easy to use plans and tools you can use to create and  
implement a succession strategy that achieves results and doesnt sit on a shelf Use the interview guides and the talent  
meeting agendas in this book to generate rich talent discussions and to make better talent decisions Refer to the leadership

models and ideas in this book to build leadership programs that address the competency needs of your top talent and successors Make sure you have an effective succession plan in place for the most critical important asset of your company your talent
